

CITY OF MONROVIA
OFFICE OF THE CITY CLERK
M E M O R A N D U M

TO: MAYOR AND CITY COUNCIL
FROM: DYLAN FEIK, CITY MANAGER
DATE: AUGUST 6, 2024
SUBJECT: SUPPORT OF CITY OF GLENDORA PROPOSED CAL CITIES ANNUAL CONFERENCE RESOLUTION

Every year at the League of California Cities (Cal Cities) Annual Conference, a General Assembly is held to discuss resolutions, which add to or modify Cal Cities policies. Developing Cal Cities policy is a dynamic process that engages a wide range of members to ensure Cal Cities represents cities with one voice. These policies directly guide Cal Cities' advocacy to promote local decision-making and lobby against statewide policies that erode local control. The resolutions process and General Assembly is one way that city officials can directly participate in the development of Cal Cities policy. If a resolution is approved at the General Assembly, it becomes official Cal Cities policy.

On July 9, 2024, the City of Glendora City Council moved forward with a City Council position of support for Glendora Council Member Michael Allawos' efforts relating to the following California Cities' Resolution:

"The California State Legislature shall not enact, and the Governor shall not approve, any law or regulation that applies solely to elected officials of California cities, counties, and special districts, unless such law or regulation also applies equally to members of the California State Assembly and Senate. The prohibition shall not apply to laws or regulation affecting the inherent power of the legislative branch under the California Constitution."

Following the 4-1 vote of the Glendora City Council, Council Member Allawos is seeking letters of support for this proposed resolution from other cities, including the City of Monrovia. To date, Mayors of the Cities of Arcadia, Azusa, La Verne, Lomita, and Rancho Palos Verdes have provided letters of support for the proposed resolution to appear at the upcoming annual conference in October (attached).

Once a resolution is received by Cal Cities, it is assigned to policy committees, where members review, debate, and forward recommended positions for each policy proposal to the Resolutions Committee. General Resolutions approved by either a policy committee or the Resolutions Committee are considered by the General Assembly at the Annual Conference in October.

Re: Item 14 – Cal Cities Annual Conference Resolution

Dear Ms. Sessman:

As the Mayor of the City of La Verne, I would like to voice support for Glendora's timely and needed resolution, within agenda item #14, for the upcoming League of California Cities (Cal Cities) annual conference this coming October 18, 2024.

In its simplistic form, the proposed Resolution states what we all believe should be true for each and every elected official: We should all have the same rules to be governed by. No matter what level of government an official is elected to, we are here to do the people's work and be their collective voices. The Resolution simply states:

"The California State Legislature shall not enact, and the Governor shall not approve, any law or regulation that applies solely to elected officials of California cities and counties, unless such law or regulation also applies equally to members of the California State Assembly and Senate. This prohibition shall not apply to laws or regulations affecting the inherent powers of the legislative branch under the California Constitution."

Whether the State Legislature or Governor heed our collective voices, we at the local level, through our Cal Cities membership, will have demonstrated our resolve that the basic leadership characteristic of leadership by example is the best approach to holding elective office.

Sincerely,

Tim Hepburn
Mayor
