Budget Message to the Residents of Monrovia:

INTRODUCTION

I am pleased to submit the City of Monrovia's Fiscal Year 2017-19 Biennial Budget for your consideration and review. The spending plan that has been developed is structurally balanced, while advancing key priorities as identified by the City Council, in an effort to live our mission of existing to serve the people of Monrovia to create a community that offers a premier quality of life.

The overall budget that has been developed contemplates total expenditures of \$125.26 million in Fiscal Year 2017-18 and \$114.71 million in Fiscal Year 2018-19 across the City's 46 separate funds.

Of particular note, the City's General Fund is structurally balanced in both years. In Fiscal Year 2017-18, the spending plan outlines expenditures of \$41.65 million against \$42.40 million in anticipated revenues, while Fiscal Year 2018-19 expenditures are projected to be \$43.54 million against \$43.64 million in revenues.

Furthermore, the proposed budget includes a plan to increase the General Fund Reserve level from \$4.2 million up to \$6.39 million by Fiscal Year 2018-19, representing an increase from 11% to 16%. This reflects the City Council's focus on developing healthy reserves across the City's funds in accordance with the reserve fund policy established in Fiscal Year 2016-17.

CURRENT CITY PRIORITIES

The City's budget acts as a policy document that allocates resources to ensure that key priorities are accomplished in a responsible and thoughtful manner. Our current priorities were developed through a collaborative process after much reflection and analysis on what issues needed the most attention in Monrovia, and how we would define achieving success in the coming years.

The Fiscal Year 2017-19 Biennial Budget attempts to responsibly fund as many of the identified priorities as fiscally possible, while still maintaining a high level of service to the community.

In 2015, the concept of *Renewal* – renewing our infrastructure, our operations, and our people – became the thematic goal that tied together all the City's key priorities for our organization and the community. This theme is seen most visibly in the *Monrovia Renewal* project, a multi-year initiative that is investing \$51.7 million back into our water and sewer systems, streets, and sidewalks to breathe new life into the essential infrastructure that keeps our community running smoothly and safely.

Additionally, the City developed and adopted the following four Strategic Objectives in support of our thematic goal of *Renewal*:

- Strategic Goal 1: Enhance Organizational Capacity
 - This goal will be accomplished by pursuing workplan items that strengthen our mission-driven and values-based organizational culture, invest in training and development of our people to help them achieve success, and establish performance management systems that gauge operational effectiveness.
- Strategic Goal 2: Enhance Community Infrastructure
 - This goal will be accomplished by pursuing workplan items that implement Citywide capital infrastructure improvements, ensure neighborhood compatibility and historic preservation, and provide enhanced mobility options.
- Strategic Goal 3: Enhance Fiscal Sustainability
 - This goal will be accomplished by pursuing workplan items that support the development of structurally-balanced operating budgets, advance new development projects, establish community facilities districts, and take proactive steps to address rising pension and water-related costs.
- Strategic Goal 4: Enhance Relationships with the Community
 - This goal will be accomplished by pursuing workplan items that serve to enhance community trust in all City operations, expand Community Activist Policing programs, inspire excellence in customer service, and provide enhanced opportunities for civic engagement and fiscal transparency.

The Fiscal Year 2017-19 Biennial Budget has been developed in a manner to fund the achievement of our four strategic goals to further the thematic goal of *renewing* Monrovia, in accordance with the priorities set by the City Council. These goals involve many processes and projects that are aligned with our mission to serve the people of Monrovia to create a community that offers a premier quality of life.

GENERAL FUND OVERVIEW

For the Fiscal Year 2017-19 Budget, the City's General Fund is structurally balanced in both years. The Fiscal Year 2017-18 General Fund budget outlines expenditures of \$41.65 million against \$42.40 million in anticipated revenues, projecting a \$75,000

surplus. The Fiscal Year 2018-19 General Fund budget outlines expenditures of \$43.54 million against \$43.64 million in revenues, projecting a \$10,000 surplus.

On the revenue side, property and sales taxes combine to make up nearly 54% of all General Fund revenues. As we have analyzed recent financial trends and identified conservative future projects, all current indicators illustrate that the economic health of Monrovia continues to improve.

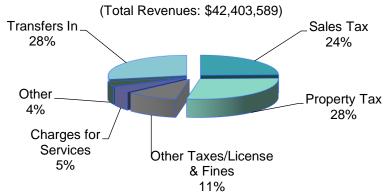

Property tax revenues are expected to be \$11.96 million for the 2017-18 Fiscal Year and \$12.76 million in Fiscal Year 2018-19. This category includes a conservative 4% base property tax growth rate year-over-year. It is important to note that the overall projected property tax revenues anticipates the completion of three major development projects during the two-year budget cycle, including MODA at Monrovia Station (261-unit luxury apartment complex), Areum Apartments at 5th / Huntington (154-unit luxury apartment complex), and the construction of a Marriott TownePlace Suites (113-room hotel) at the southwest corner of Huntington Drive and Myrtle Avenue.

Additionally, sales tax revenue is projected to increase over the next two-year cycle, albeit more slowly than in past years. Specifically, sales tax revenue is projected to increase approximately 3% for the 2017-18 Fiscal Year to \$10.41 million, and increase 2.75% in Fiscal Year 2018-19 to \$10.7 million.

Finally, our Transient Occupancy (Hotel) Tax shows continued strong growth. We are projecting that those revenues will increase 3% in Fiscal Year 2017-18 to \$2.01 million and 6% in Fiscal Year 2018-19 to \$2.13 million, due to the additional anticipated revenue related to the Marriott TownePlace Suites.

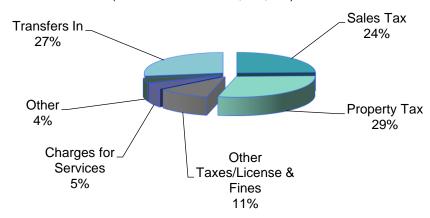

The following charts provides a breakdown of the City's \$42.4 million in General Fund Revenues in Fiscal Year 2017-18, and \$43.64 million in Fiscal Year 2018-19.

Sources of General Fund Revenue Fiscal Year 2017-18

Sources of General Fund Revenue Fiscal Year 2018-19

(Total Revenues: \$43,642,751)

In terms of General Fund expenditures, the proposed operating budget contemplates expenditures totaling \$41.65 million in Fiscal Year 2017-18, and \$43.54 million in Fiscal Year 2018-19. The overall funding outlays are distributed as follows:

| | Fiscal Year 2017-18 | Fiscal Year 2018-19 |
|------------------------------|---------------------|---------------------|
| Personnel Costs: | \$28.93M | \$30.46M |
| Maintenance & Operations: | \$9.42M | \$9.32M |
| Capital Improvement Projects | \$0.47M | \$0.11M |
| & Capital/Special Projects: | | |
| Transfers & Other: | \$2.83M | \$3.65M |
| TOTAL: | \$41.65M | \$43.54M |

From a personnel perspective, the 2017-19 Fiscal Year Budget includes a net increase of three-quarters (0.75) of a position. The net personnel changes include:

- 1 part-time 3/4 Office Aide, 1 (Senior) Management Analyst, and 1 Management Assistant position added, and 1 Administrative Assistant position removed, in the City Manager's Office
- 1 Information Systems Manager and 1 Information Systems Analyst position removed in Administrative Services
- 1 Recreation Coordinator, 1 Field Services Superintendent, and 2 Maintenance Lead Worker positions added, and 3 Maintenance Supervisors positions removed, in Public Services

With these changes, the City's has a total of 250.25 authorized positions in the Fiscal Year 2017-19 Biennial Budget. The overall General Fund personnel costs are \$28.93 million in Fiscal Year 2017-18 and \$30.46 million in Fiscal Year 2018-19, representing a 0.7% and 5.2% increase, respectively. This increase in personnel costs is primarily related to the CalPERS pension cost increases, as our total authorized positions are projected to remain stable, as noted above.

Finally, the overall General Fund Maintenance & Operations (M & O) expenditures are \$9.42 million in Fiscal Year 2017-18 and \$9.32 million in Fiscal Year 2018-19, representing a 5.0% and -1.1% year-over-year difference, respectively.

CAPITAL IMPROVEMENT PROGRAM

In accordance with our adopted Strategic Goal of Enhancing Community Infrastructure, the City has continued to develop and implement a very aggressive capital improvement program (CIP) plan.

The City's largest CIP project that is currently underway is a multi-year initiative called *Monrovia Renewal*. This initiative is investing an estimated \$51.7 million in improvements of deferred street, sidewalk, water system, and sewer line maintenance initiatives. The overall plan is repairing or replacing every street in the City that has a pavement condition index rating of less than 70, implementing necessary water transmission pipe replacements, improving or replacing water production facilities, and upgrading all sewer lines in need of repair or upsizing. The first two sections of *Monrovia Renewal* were completed in Fiscal Year 2016-17, and funding to implement the next phases of Monrovia Renewal has been included in the Fiscal Year 2017-19 Budget, totaling \$20.86 million in Fiscal Year 2017-18 and \$14.62 million in Fiscal Year 2018-19.

In addition to the *Monrovia Renewal* program, staff has incorporated a CIP budget of \$5.62 million in Fiscal Year 2017-18 and \$1.8 million in Fiscal Year 18-19 that proposes to complete approximately 30 capital improvement projects, including grant-funded projects and capital outlay expenditures.

RESERVE FUNDS

The City has developed a Fiscal Year 2017-19 Budget that advances the target reserve levels for various City funds, in accordance with the reserve fund policy adopted in Fiscal Year 2016-17 and recommendations set by the Government Finance Officers Association.

The reserve policy established minimum "savings account" levels for each identified fund, which will allow the City to better address any significant swings in cash flows due to economic cycles and unanticipated emergencies.

The City has met several of its target reserve levels and is building up other reserves to achieve greater funding levels towards reaching their targets, as outlined below:

- For our General Fund, the reserve level is 20% (10% working capital fund + 10% emergency contingency). The Fiscal Year 2016-17 year-end reserve level is at 11%, which will increase to 16% in Fiscal Year 2017-18. Additionally, beginning in Fiscal Year 2018-19, \$100,000 per year will be allocated towards achieving the 20% target.
- For our Enterprise Funds and Facilities Fund, the reserve levels are 30% of the budgeted operating expenditures. The Water (Utilities) Fund, Sewer/Sanitation Fund, Street Sweeping Fund, Environmental Services Fund, and Facilities Fund have all met or exceeded their target reserve levels. The Storm Drain Fund will meet and exceed its target level in Fiscal Year 2018-19.
- For our Fleet Replacement Fund, the reserve level is 30% of the estimated replacement value of all fleet inventory, which will be achieved and exceeded in Fiscal Year 2018-19.
- For our Retirement (Pension Cost Reserve) Fund, the reserve level is \$1,000,000. While this target has been met and exceeded, looming pension cost increases have necessitated a new strategic approach, as outlined below.
- The City is also working to achieve a 10% CIP reserve account for 17 separate funds, as established in Fiscal Year 2016-17.

PLAN TO ADDRESS RISING PENSION COSTS

While the Fiscal Year 2017-19 General Fund budget is structurally balanced in both years and the City is currently in a strong financial position overall, there is a looming threat facing Monrovia and nearly every government agency in California related to dramatic pension cost increases that will be instituted beginning in Fiscal Year 2017-18.

During the past five years, the California Public Employees' Retirement System (CalPERS) has systematically implemented a series of significant rate adjustments to address rising Unfunded Accrued Liability (UAL) levels associated with California's public sector pension system. The increased UAL levels have resulted from pension benefit enhancements that occurred in 2000, and recessionary economic impacts that have resulted in staggering losses to the CalPERS investment portfolio. These factors have left the overall CalPERS pension system underfunded and on unstable financial footing.

The most recent of those rate increases instituted by CalPERS was approved on December 21, 2016, and dramatic annual increases in the City's required UAL payments will be instituted beginning July 1, 2018. Our overall UAL costs and pension liability payments will increase by around 80% during the next five year period, growing from a current cost of \$4.9 million in Fiscal Year 2017-18 to \$8.9 million in Fiscal Year 2022-23. From that point, our pension costs will continue to grow, albeit at a slightly slower rate, through Fiscal Year 2030-31, when our overall UAL costs will be around \$11 million.

If the City were to take no proactive actions to address these cost increases, the UAL payment schedule would strain our General Fund to the point of rendering the City insolvent as early as Fiscal Year 2021-22.

Given the scale of the overall problem associated with increasing pension costs, the City is working to develop a CalPERS Response (CPR) Plan that includes multiple levers that can be implemented in the coming years. The key components of the CPR Plan include:

- 1. Instituting an Employee Give-Back Program to increase employee contributions toward pension-related costs.
- 2. Issuing a Pension Obligation Bond (POB) to refinance the City's existing UAL and pension liability debt to stabilize our pension liability payments at a uniform and level annual amount.
- 3. Establishing a UAL Funding Policy to address any new pension liabilities that arise in the future.
- 4. Increasing the City's Transient Occupancy Tax Rate from 10% to 12%, in alignment with neighboring cities to the west of Monrovia.
- 5. Creating Community Facilities ("Mello-Roos") Districts on significant new residential development projects.

Taken together, these proactive measures provide a suite of levers that can be pulled when necessary to help stabilize the City's overall pension costs and keep the City on a strong financial footing going forward.

PLAN TO ADDRESS DROUGHT-RELATED WATER COSTS

After nearly a decade of drought in California, our region is facing severe water shortages that require drastic measures be taken to replenish the water supply. The City gets its water from the Main San Gabriel Basin aquifer, which also supplies the majority of water producers in the San Gabriel Valley. However, due to the historic drought, groundwater levels in the aquifer are at dangerously low levels that threaten to render 10% of all water production wells in the Basin, including wells in Monrovia, inoperable, leading to widespread water shortages.

To address the challenges impacting our region's water supply, the Main San Gabriel Basin Watermaster, which is the agency that regulates access to and pumping from the Main San Gabriel Basin aquifer, implemented a new Water Resources Development Assessment. Additionally, the Upper San Gabriel Municipal Water District reduced the amount of water that water production agencies, like Monrovia, are allotted prior to incurring additional overproduction charges. Together, these changes were designed to

raise enough funds to purchase over \$100 million worth, or 40.7 billion gallons, of water to replenish the Basin and restore healthy groundwater levels.

The fees being levied on the City to address the water supply shortage are greater than the Water Fund can absorb, which will lead to a deficit in Fiscal Year 2017-18 if no action is taken. Thus, the City will be undertaking the Proposition 218 process in Fiscal Year 2017-18 to adjust our current water rate to absorb the enormous added costs being passed down to all communities and water agencies in our region.

CONCLUSION

There are many individuals who worked hard to develop the Fiscal Year 2017-19 Biennial Budget. In particular, Monrovia is blessed to have strong and visionary political leadership from the Mayor and City Council. The leadership provided by the City Council is complimented by a tremendously talented City staff that is committed to delivering the best services to the community. Many thanks to all involved in the development of the budget, with special commendation to the Administrative Services Department for leading our efforts.

The adoption of the Fiscal Year 2017-19 Biennial Budget is not the end of our financial management practices for the year, but instead, serves as the beginning of a fluid and interactive process that will be engaged throughout the next two years. As part of our commitment to fiscal responsibility, we will be continuing to dialogue with the City Council and the community regarding implementation and execution of sound financial decisions. We will be coming back to the City Council, periodically, throughout this next budget cycle with revised financial projections for the budget period, mid-year budget reviews, regular study sessions, meetings with the Audit Committee, as well as progress updates on advancing our strategic goals. These ongoing practices will ensure that the City remains in good fiscal health, while accomplishing our strategic goals.

As we move forward, the Fiscal Year 2017-19 Biennial Budget truly does serve as a plan for the achievement of *Renewal* for our community, and all of us fortunate enough to be part of the City organization are committed to doing the hard work necessary to ensure that Monrovia remains the brightest gem in the crown that is the San Gabriel Valley.

Best regards,

Oliver Chi, City Manager

BUDGETING PHILOSOPHIES

In order for the user of Monrovia's Program Budget to gain some understanding of its contents, it is important that the broad based assumptions used in this document be identified. Both the budget objectives and process are presented, which are essential components to developing this document. Staff has also chosen to highlight the way the City directs and administers its financial policies and practices in this section. Partial references to these philosophies are addressed again throughout the budget document as they relate to various projects, funds, or department activities.

- 1. The City has developed and adopted the following four Strategic Goals that tie into the concept of *Renewal*:
 - Strategic Goal 1: Enhance Organizational Capacity
 - Strategic Goal 2: Enhance Community Infrastructure
 - Strategic Goal 3: Enhance Fiscal Sustainability
 - Strategic Goal 4: Enhance Relationships with the Community
- 2. Beginning with fiscal year 1994-95, the City Council has codified its long-standing principles of financial management. The Fourteen Principles of Financial Management shown further in this section reflect ongoing financial practices needed to assure the community that "fiscal responsibility" is being achieved through prudent fiscal policy making and conservative financial management.
- 3. Financial Principle I is to adopt and maintain balanced budgets. The fund projections included in this budget reflect conservative revenue estimates, anticipate reasonable expenditure increases (including unfunded mandates), and identify capital project requirements.
- 4. The City completed a comprehensive business cost study update of individual or group based services in May of 2009. The full cost of providing each service was identified, and the Council established a percentage of that cost to be recovered through fees and charges. The cost of providing services is updated annually and any needed adjustments to rates are determined by Staff and presented to Council for review and approval through the budget adoption process. Rates, as adopted, were used to forecast revenues for this budget period.

Below are the objectives which are used by staff as the critical focus areas necessary to developing this budget document. Also, the processes used to complete the budget, up through adoption by the City Council, are provided in order to inform the reader about the administrative steps taken to bring this document to final conclusion.

Basis of Accounting and Budgeting

The City of Monrovia's accounting system is organized on a fund basis. Each fund is a separate accounting entity with a self-balancing set of accounts recording assets, liabilities, fund equity, revenues and expenditures. The funds are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Governmental funds are classified into three broad categories: governmental (general, special revenue, debt service and capital improvement projects), proprietary and fiduciary funds. Governmental funds include activities usually associated with a typical state or local government's operations. Proprietary funds are financed and operated in a manner similar to private business enterprises, where the intent is to recover the cost of providing goods and services from user charges. Fiduciary funds are utilized in situations where the government is acting in a fiduciary capacity as a trustee or an agent.

All governmental funds are budgeted and accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. The primary revenue sources susceptible to accrual are property, sales and business license taxes, investment income, federal grants, motor vehicle fees and gas tax subventions. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

Proprietary fund revenues and expenses are budgeted and recognized on the accrual basis. Revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recognized in the period incurred, if measurable.

Budgetary Control

Budgetary control is exercised by (1) the annual budget adoption by the City Council (the second year of a two-year budget cycle is re-adopted by the City Council), (2) formal budgetary integration within the accounting system, (3) the encumbrance of estimated purchase/contract amounts prior to the release of purchase orders to vendors, (4) computer and paperwork support systems that adequately identify City Council authorized (or when allowed by policy, Staff approved) appropriation and revenue estimate adjustments and (5) monthly review of computer-generated line-item and project departmental expenditure reports with each department manager utilizing a budget to actual format.

Below are the objectives which are used by staff as the critical focus areas necessary to developing this budget document. Also, the processes used to complete the budget, up through adoption by the City Council, are provided in order to inform the reader about the administrative steps taken to bring this document to final completion.

OBJECTIVES OF THE BUDGET

- 1. To establish service level efforts and funding in accordance with the service priorities set by the Council for the coming budget period.
- 2. To adhere to the Principles of Financial Management, including budgets that are balanced and adopted on time, matching ongoing expenditures with ongoing resources, providing adequate infrastructure maintenance, and keeping prudent cash reserves.
- 3. To involve operating departments in the planning of service delivery for the coming year.
- 4. To assist the Council and community in understanding Monrovia's proposed plan of operation, and to allow revision to the plan.
- 5. To provide the Council a basis to enact appropriations.
- 6. To establish a basis for annual audits.

OVERVIEW OF THE BUDGET PROCESS

Operating Budget

Financial planning and budget preparation occurs in twenty-four month cycles. Since the levels and distribution of services has remained relatively constant over the past several years, two-year budgeting simplifies efforts from all parties involved. An annual update is done in the second year of a two-year budget cycle.

Budget Calendar

The Budget Calendar is prepared in February by the Administrative Services Department. The calendar establishes critical paths and deadlines necessary to adopting the budget in June prior to commencement of the new budget period.

Budget Milestones

The Budget Calendar identifies critical dates of the budget process. This includes the due date for the department data, printouts, and computer files. Of equal importance is the period of budget review with the City Manager.

Budget Development

There are several steps that the Administrative Services Department performs in order to develop a base budget. The first of these steps is to calculate salary and benefit costs for all anticipated budgeted positions throughout the City. The Administrative Services Department utilizes a series of Excel worksheets to calculate total salary and benefit costs for each departmental cost center. Personnel categories, allocations, and total compensation are reviewed and examined for accuracy and a financial analysis of total salary and benefit costs is performed.

After determining the base cost for salary and benefits, the Administrative Services Department exports non-personnel data (e.g., maintenance and operation costs, capital outlay costs, and revenues) into Excel budget worksheets to be used by operating departments in preparing their upcoming budget requests. Worksheets are created for each department cost center, as well as for each project account. Worksheets include three years of prior year actual history, the current year budget, the current year actual to-date figures, and a blank column for the upcoming budget. Once complete by the Administrative Services Department, worksheets are then made available for departments to begin completing their budget requests.

After departments have had time to review and complete their budget worksheets, meetings are scheduled to review and discuss budget requests. These meetings occur over a period of several weeks and are used as a means of discussing each department's operations and any upcoming changes affecting the department which may result in an increase or decrease in requested budgets (over the prior year). After the conclusion of all meetings, the Administrative Services Department then compiles the budget requests from each department to determine if gaps exist between ongoing revenues and expenditures. Projected year-end fund balances are also calculated and included as part of the financial analysis. A City-wide financial analysis is performed to determine if additional adjustments will be needed to departments' original requests in order to obtain a balanced budget. If additional adjustments are needed, meetings are scheduled with departments to allow for further discussion of their budget needs.

Adjusted data from the second round of budget meetings is compiled and a "Preliminary Budget" is established. This Preliminary Budget is the basis for the budget that will be presented to the City Council for consideration.

Budget Meetings

Budget study sessions are normally scheduled by the Council and City Manager as needed. Study sessions are usually held prior to regularly scheduled Council meetings. Focus areas of the budget are identified prior to the study session. The study sessions usually include a review of the current year estimated year-end financial position, major revenue trends, prior year comparisons, financial forecasts for the future, and a discussion of capital needs. Should a gap exist in any fund, multiple solutions are presented to Council, initially as ideas. Council has an opportunity to implement the suggested solutions or any other suggestions received from the community. Normally, final actions to close any gaps are left until the final budget meetings. Actions taken by the Council are tracked to determine the overall effect on the budget.

Budget Hearing and Adoption

Final adoption of the City budget is usually scheduled for the last Council meeting in June. Any unresolved issues are presented for final consideration. Responses to prior Council meeting or budget study session questions or issues are addressed. A series of resolutions are approved to adopt and implement the budget for the next one or two fiscal years, including establishing the next year's Gann Limit Calculation.

Adopted Budget

After the budget has been formally adopted by the City Council, the Administrative Services Department generates a line item detail report for use by all City departments. The reports are

made available in electronic format on the City's Intranet page, as well as on the City's website for use by the community.

The final budget document is prepared by the Administrative Services Department, distributed to Council and management staff, and posted to the City's website. Financial performance reviews are scheduled for each quarter of each fiscal year. Budget adjustments, if needed, are presented to Council for approval during these reviews.

Principles of Financial Management

PRINCIPLE I CITY BUDGETS MUST BALANCE

The City Council will continue to adopt balanced budgets on an annual basis. Annual audited financial reports confirm the adoption of a balanced budget, and note any discrepancies. These financial reports are used by the financing community to gauge the City's credit worthiness, among other issues.

PRINCIPLE II THE CITY SHALL MAINTAIN PRUDENT RESERVES

Adequate reserves of funds shall be established to meet future capital needs, to offset economic hard times, to stabilize fluctuations in cash flow requirements, and to provide for emergency situations.

PRINCIPLE III THE CITY SHALL ENDEAVOR TO MAINTAIN COMPETITIVE COMPENSATION

The City wishes to continue positive labor relations, be competitive in the market place, and desires to attract and retain top talent. Competitive salary and benefits will be provided to all employees within the City's means, with the expectation that services being provided by staff will continue to be exemplary.

PRINCIPLE IV THE CITY SHALL MAINTAIN ITS INFRASTRUCTURE

Ongoing, preventative maintenance is an essential component of the City's operations. Adequate funding shall be allocated in current years to minimize expenditures in future years. Infrastructure maintenance includes, but is not limited to, streets, sewers, storm drains, water systems, sidewalks, lights, and parks.

PRINCIPLE V THE CITY SHALL AMORTIZE CAPITAL COSTS

To the extent possible, the cost of replacing or expanding existing facilities and equipment will be fully amortized as a continuing cost of doing business. With respect to equipment, rates shall be established to recover the replacement cost of each item at the end of its useful life. Facilities will be amortized to cover ongoing maintenance and cyclical repairs, and for the replacement or expansion of major structures.

PRINCIPLE VI THE CITY SHALL ONLY BORROW WHAT IT CAN AFFORD TO REPAY

Loans and other external obligations will be established wisely to level out costs. Refinancing of existing debt will take place when market conditions lend themselves to economic gains. The City shall not overextend indebtedness, which may cause undue financial burdens in subsequent years.

PRINCIPLE VII THE CITY SHALL FUND ONGOING COSTS WITH ONGOING REVENUES

Cost must be matched with revenues. Ongoing costs shall only be funded with ongoing revenues. One-time costs can be funded with one-time revenues. However, ongoing costs cannot be funded by one-time revenues.

PRINCIPLE VIII THE CITY SHALL BASE ITS BUDGET ON REALISTIC ESTIMATES

The City shall make its budgetary and financial decisions on conservative estimates of revenues and expenditures.

PRINCIPLE IX THE CITY SHALL COMPETITIVELY PROCURE GOODS AND SERVICES

Significant savings of tax dollars can be obtained through the competitive bidding of purchases of goods and services. The City shall seek market prices or proposals for all significant purchases of goods and services, including periodic market testing of internally-provided services, consistent with the City's purchasing policy. Preference will be given to Monrovia businesses.

PRINCIPLE X THE CITY MUST KNOW ITS TRUE COSTS

The City shall maintain current full business costs of providing each and every City-provided service. In addition, the City shall make conscious decisions about cost recovery and/or general tax subsidy of those services which benefit only portions of the tax-paying public.

PRINCIPLE XI THE CITY SHALL PLAN AHEAD

The City shall examine its financial condition periodically by forecasting several years into the future. In this way, adverse trends can be anticipated and better managed.

PRINCIPLE XII THE CITY SHALL MAKE AND REPORT ITS FINANCIAL DECISIONS PUBLICLY

Public involvement is encouraged in budgeting and financial planning. The City Council shall make all non-routine or non-administrative financial decisions in public at regularly scheduled meetings, and the results of such decision-making shall be reported in a timely manner through Comprehensive Annual Financial Reports and public information documents.

PRINCIPLE XIII THE CITY SHALL OPPOSE MANDATED PROGRAMS WHICH ARE UNFUNDED

Federal and State Government regularly adopt laws which mandate local compliance or implementation. The City is forced to incur additional operating costs, and no funding is provided to pay for these mandates. The City shall have a general policy against unfunded mandates that have an adverse impact to Monrovia's services and budget.

PRINCIPLE XIV THE CITY SHALL CONSERVATIVELY INVEST ITS IDLE CASH

The City will invest its idle cash in a conservative manner so as to safeguard public funds. Investment instruments will be chosen using safety, liquidity, and yield as the selection criteria.

Citywide Thematic Goal

Renewal

Citywide Strategic Goals

The City has established four strategic goals in support of our current thematic goal of *Renewal*. Those four strategic goals include the following:

Strategic Goal 1: Enhance Organizational Capacity

 Achievement of this goal will be accomplished by pursuing work plan items which build a mission-driven & values-based organizational culture, establish peopleoriented organizational systems, remove obstacles which impede the ability of our people to achieve success, and establish performance management systems that gauge operational effectiveness.

Strategic Goal 2: Enhance Community Infrastructure

 Achievement of this goal will be accomplished by pursuing work plan items which implement Citywide capital infrastructure improvements, enhance neighborhood compatibility, and augment historic preservation practices.

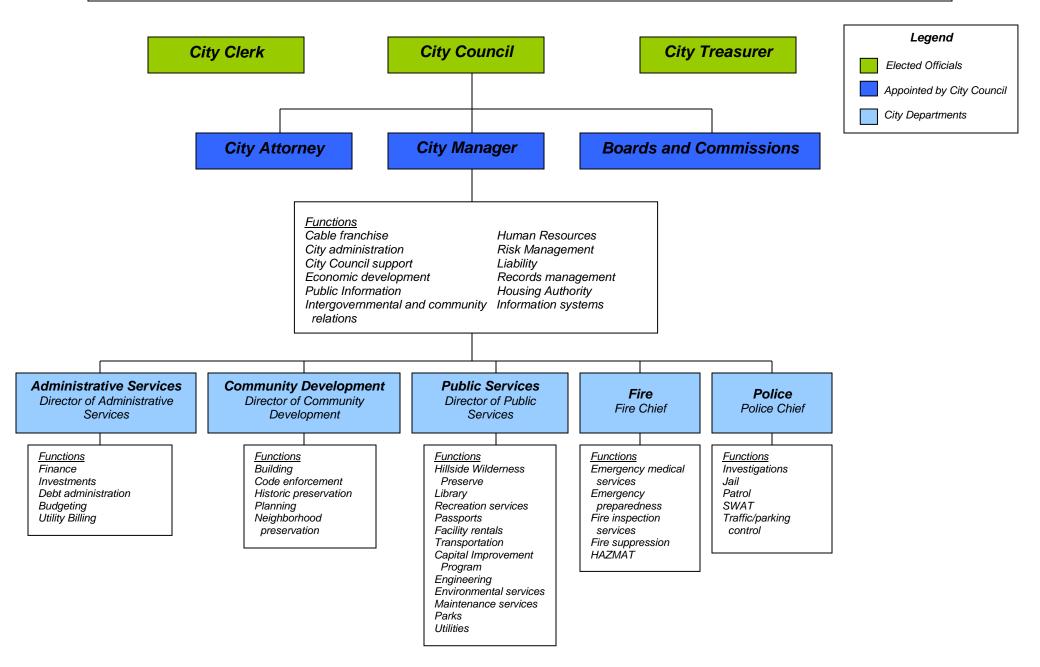

Strategic Goal 3: Enhance Fiscal Sustainability

Achievement of this goal will be accomplished by pursuing work plan items which support the development of structurally balanced operating budgets, pursue new economic development opportunities, and enhance office-based occupancy rates.

Strategic Goal 4: Enhance Relationships with the Community

 Achievement of this goal will be accomplished by pursuing work plan items which serve to enhance community trust in all City operations, expand Community Activist Policing programs, inspire excellence in customer service, and provide enhanced opportunities for civic engagement.

FINANCIAL OVERVIEW

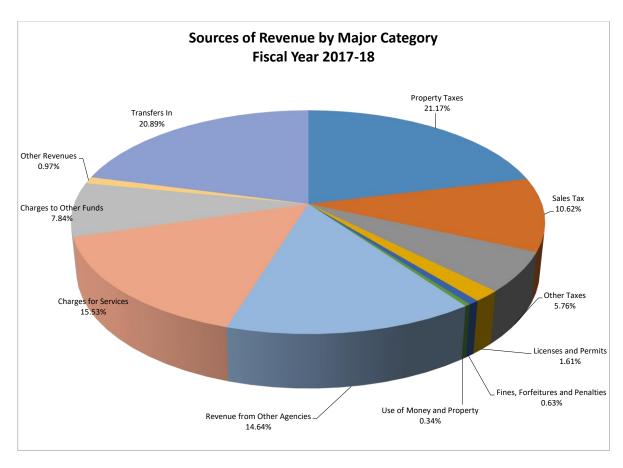

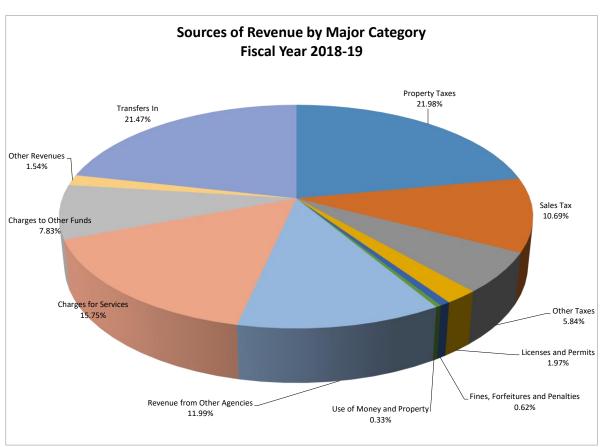

FINANCIAL OVERVIEW

This section, in conjunction with the Fund Financial Summaries section, presents information which shows the overall financial condition of the City of Monrovia. The first exhibits, Sources of Revenue and Areas of Expenditures, consist of pie charts showing both budgeted revenues and expenditures for the year. The Combined Funds Statement shows beginning balances, revenues and expenditures, and the projected fund balances at the close of the fiscal year. Next, because there are often transfers between funds, the Schedules of Transfers In and Transfers Out are also included in this section.

City of Monrovia Sources of Revenue by Major Category Fiscal Year 2017-18 and 2018-19

| | Fiscal Year 2017 - 18 \$ Amount % of Total | | Fiscal Year 2018 - 19 \$ Amount % of Total | |
|--|---|---------|---|---------|
| PROPERTY TAXES Revenues received from the levy of taxes upon the real value | | | | |
| of personal property. This revenue source includes levies against secured and unsecured property rolls, as well as all penalties and interest on delinquent taxes. | \$20,753,178 | 21.17% | \$21,987,484 | 21.98% |
| SALES TAX Taxes imposed upon the sale or consumption of goods and services in the City. Revenues equal 1% of taxable sales. In addition, the City receives an additional 1/2% for police and | | | | |
| fire operations. | \$10,410,793 | 10.62% | \$10,698,200 | 10.69% |
| OTHER TAXES Revenue derived from property transfer, business license, transient occupancy, franchise fees, and other various taxes. | \$5,644,036 | 5.76% | \$5,844,600 | 5.84% |

Areas of Expenditure Operating Budget

COMBINED FUNDS STATEMENT

The following table summarizes the estimated financial position of each City fund for fiscal years 2017-18 and 2018-19. The "Beginning Balance" shows the total amount available at the close of 2016-17, which is available for appropriation in the new year. "Total Resources" is the sum of "Revenues," "Project Revenues," "Transfers-In" from other funds and "Transfers from Reserves". The "Total Available" figure is an estimate of the total amount available for appropriation during each fiscal year.

"Total Operations" is the sum of appropriations for personnel, supplies, materials and services, capital outlay, and depreciation in the various programs in each fund. Special projects and capital projects in each fund are added to "Total Budget". Special projects are major studies or programs for which the work is usually contracted out for special programs. Special projects do not add to the City's physical assets. Capital projects either improve or add to the City's assets. "Transfers-Out" of each fund and "Transfers to Reserves," in addition to the "Total Budget," make up the "Total Appropriations" figure. The "Ending Balance" shown is the difference between "Total Available" and "Total Appropriations".

The City's funds are shown grouped into categories to reflect the general nature of each fund. The first category, "General Operating Funds", includes those funds which provide the traditional municipal services such as police, fire, parks and recreation, traffic safety, and street maintenance. Some of the revenues to these funds are restricted in their use for specifically identified purposes.

The next category is "Enterprise and Utility Funds". These funds provide services to the public which are paid in whole by charges to the users of the services.

The third category, "Special Purpose Funds", includes those funds for which revenues are restricted for specifically identified purposes.

The fourth category, "Intergovernmental Funds," includes those funds which provide services solely to other City departments or programs. Their primary revenue comes from charges to other funds.

At the bottom of the table, a deduction from the total budget figures is made for transfer and intergovernmental service fund charges. Since these transactions are between funds, they have been excluded so as to not distort the true level of revenues and expenditures.

REVENUE SCHEDULES

REVENUES

This section presents detailed information about the City of Monrovia's revenue structure. The Revenues by Source table shows the specific sources from which the City receives revenues. The figures presented are an estimate of the amount of revenue expected to be received from each source for all funds. The Revenues by Fund table shows, for each fund, the amounts of revenue estimated to be received during the year. The final pages of this section include a variety of property tax data.

EXPENDITURE SCHEDULES

EXPENDITURES

This section presents detailed information about the City of Monrovia's appropriations by fund. The Appropriations by Fund table shows the budgeted appropriations for each program by the fund in which it is budgeted. Because it is organized by fund, you will notice that the appropriations in any given department are spread over the various funds in the accounting structure. The Overhead Recovery – Distribution of Costs table shows the distribution of the various overhead costs among the different funds of the City. The personnel authorization schedule, which shows each position within the City that has been budgeted, is located at the end of this section.

DISTRIBUTION OF OVERHEAD COSTS

The following table shows the distribution of the various overhead costs among the different funds of the City.

"General Administration Overhead" includes the cost of such activities as City Manager, City Attorney, City Council, City Clerk, Finance, and Human Resources.

"Public Works Overhead" is the cost associated with the Public Works administration activity. Again, by policy, only a portion of the total cost is recovered through a charge to the various funds.

The cost of the engineering activity, "Engineering Overhead," is prorated among the various funds which use engineering services.

"Fire Administration Overhead" is recovered for the management of the Hazardous Materials and Fire Equipment Pool programs.

Police administration time needed to manage traffic safety services is shown as "Police Administration Overhead".

All of the rates shown reflect the percentage of recovery identified in our cost worksheet data files. At the bottom of the table is shown the total amount of distributed overhead costs in each category.

City of Monrovia Overhead Recovery Distribution of Costs Fiscal Year 2017-18 Budget

| | | | | Dev / Storm Drain / Sewer / Environmental Svcs. |
| Old Town Parking Lot Upgrades | \$40,000 | \$10,000 | \$0 | Traffic Safety Fund |
| Comprehensive Library Park Upgrades | \$715,000 | \$679,250 | \$0 | Library Fund |
| TrakIt Permitting System | \$299,020 | \$79,020 | \$0 | Development Services Fund |
| Monrovia Renewal | \$51,706,828 | \$20,860,387 | \$14,619,823 | Water Fund / Sewer Fund / Prop C / Measure R |
| Total Estimated Cost | \$59,917,639 | \$26,482,892 | \$16,419,823 | |

^{*} Total Estimated Costs for FY 2017-18 & FY 2018-19 may not agree to the Total Project Estimate, as actual expenditures have been incurred in previous years and cost estimates span future years.

^{**}Budget amounts for projects that are partially funded by Street Maintenance Grants and Capital Improvement Grants are reflected in the Capital/Special Projects section of the Combined Funds Statement for FY 2017-18 and FY 2018-19.

DEPARTMENT PROGRAM BUDGETS

DEPARTMENT PROGRAM BUDGETS

This section represents the budgets for each program/facility. They are grouped by department and a summary sheet is included where, at a glance, the reader can see: 1) the various programs which are the department's responsibility, 2) the totals for the entire department in the major categories of expenditure (i.e. salaries, maintenance & operations, etc.), and 3) the various funds which support the department's programs. The line-item accounts are not shown in this section; instead, they are summarized into the major categories of expenditures (personnel, maintenance & operations, etc.).

City Manager's Office

The City Manager's Office is headed by the City Manager and is responsible for coordinating the following City operations:

- City Administration
- Economic Development
- Human Resources
- City Clerk's Office
- Information Systems

An overview of each of the above listed functions is included below.

CITY ADMINISTRATION

The City's Manager's Office is responsible for the administration of all City operations through the provision of City Council support, managing citywide strategic planning efforts, coordinating special projects, handling intergovernmental relations, and organizing the City's public information / community outreach activities.

ECONOMIC DEVELOPMENT

The City's Economic Development operation helps sustain economic growth in the community through a variety of mechanisms, including engagement of marketing / outreach efforts, providing development support for key projects, and establishing public / private initiatives.

HUMAN RESOURCES

The Human Resources operation is responsible for recruiting, developing, and retaining a world-class professional workforce that embraces the City's mission and organizational values. Human Resources also focuses on organizational development efforts by managing employee relations, talent management, succession planning, training, and organizational health initiatives

CITY CLERK'S OFFICE

The City Clerk's Office serves as the official Clerk for the City Council and maintains a record of all City Council proceedings and decisions; manages all official City records and archives; administers City elections; provides administrative services for the City Council; and coordinates the recruitment of City Commissioners and Board Members.

INFORMATION SYSTEMS

The Information Systems operation is responsible for managing the City's information technology resources in order to provide staff with the tools to perform their various job functions smoothly and efficiently; ensure the City's network infrastructure and data systems are reliable and secure; and improve public access to City information to promote transparency and build community trust. Acorn Technology Corporation is the City's current contract IT Services Provider assisting with day-to-day support and troubleshooting assistance for computers, printers, telephones, and emails throughout the City, excluding the Police Department. They are responsible for maintaining the City's network and server infrastructure; updating hardware and software applications and licensing agreements; managing data storage and backup; implementing necessary security measures to protect systems and files from unauthorized use or access; and assisting with strategic planning for special projects and system improvements Citywide.

City Manager's Office City Clerk

Fund Name: General
Fund Number/Department Number: 111-130 (consolidated 131 into 130)

PROGRAM DESCRIPTION:

The City Clerk Program is responsible for preparation of agendas, minutes, ordinances and resolutions for the City Council, Successor Agency to the Monrovia Redevelopment Agency, Housing Authority, Financing Authority, and the Oversight Board of the Successor Agency to the Monrovia Redevelopment Agency, and ensures completion of actions directed. As the Records Manager, the City Clerk maintains the central and legal files of the City, provides public information and responds to public records requests, publishes and posts legal notices, processes claims and lawsuits, and is responsible for the maintenance and distribution of the Municipal Code. The City Clerk also conducts all standalone municipal elections and is the Filing Officer for Fair Political Practices Commission campaign finance and economic interest disclosure forms.

City Manager's Office City Attorney

| Fund Name: | General |
|--------------------------------|---------|
| Fund Number/Department Number: | 111-150 |

PROGRAM DESCRIPTION:

The City Attorney Program accounts for general legal services for the City. The City Attorney is appointed by and serves at the pleasure of the City Council. This does not include specialized personnel and labor relations counsel, which is managed by the Human Resources Department. Special legal counsel for worker's compensation matters and legal services related to liability claims are charged against the Workers' Compensation and Liability Funds, respectively.

Administrative Services Department

The Administrative Services Department consists of the Administration and Finance Divisions. These divisions plan, organize, lead, and monitor the activities of financial accounting, capital improvement programs, and the day-to-day finance operations.

The Administrative Services Department focuses on successfully obtaining the following goals:

- Developing and implementing efficient and effective financial policies, plans, and reporting systems
 that help the operating departments achieve their financial objectives and assure the City's longterm fiscal health
- Protecting the City's assets from unauthorized use and safeguarding the City's funds.
- Managing the City's resources in a fiscally conservative manner, while maintaining an exemplary level of customer service.
- Providing timely, accurate, clear and concise financial information to the City Council, City Manager, City Departments, and the citizens of Monrovia.

ADMINISTRATION

The Administration Division is focused on developing innovative and cost-effective ways of financing City services and facilities; preparing and implementing policies and plans for effectively managing the City's financial resources and preserving its long-term financial health; advising the Council and City Manager on fiscal matters; and coordinating the preparation of the City's two-year budget and long-range financial plan.

FINANCE

The Finance Division is responsible for the overall financial management of the City's assets. This division provides financial support services to operating departments and is responsible for the ongoing management of the City's financial accounting and reporting functions. Some of the detailed responsibilities of the Finance Division include the following:

- Budgeting
- General Accounting and Financial Recordkeeping
- Treasury Management
- Payroll
- Accounts Payable
- Accounts Receivable
- Cashiering/Cash Handling
- Utility Billing

<u>Budgeting</u> involves the preparation of the annual budget for approval by City Council and working with operating departments, throughout the year, to continually track and monitor budget performance.

<u>General Accounting and Financial Recordkeeping</u> - This function involves maintaining the general ledger system and chart of accounts, reconciling monthly bank statements, providing monthly financial reports for operating departments, preparing the annual State Controller's Report, compiling data for the City's annual financial audit and all other regulatory audits, and preparing the Comprehensive Annual Financial Report (CAFR). In addition, Finance is also responsible for preparing and recording the financial transactions of the Successor Agency to the Monrovia Redevelopment Agency, which includes preparing annual Recognized Obligation Payment Schedules (ROPS).

<u>Treasury Management</u> - This function ensures that the City's idle funds are prudently invested in allowable investments as outlined in the City's Investment Policy. As provided in the Investment Policy, funds are invested in order to ensure safety, liquidity, and return on investment, among other key objectives. In addition,

Administrative Services Department

the treasury management function ensures that the City has adequate cash flows to meet operational and capital needs as they arise.

The Finance Division is also responsible for ensuring that City obligations are paid timely and accurately through the payroll and accounts payable function.

<u>Payroll</u> - This operation is responsible for processing the City's bi-weekly payroll and ensuring that all monthly, quarterly, and annual reports are filed timely with the taxing authorities and regulatory agencies.

<u>Accounts Payable</u> - This operation is responsible for processing all of the City's invoices and issuing payments to vendors. Other duties of the accounts payable operation include filing annual reports required by regulatory agencies, reviewing internal controls, adhering to established payable procedures, and maintaining vendor and encumbrance files.

<u>Accounts Receivable and Cashiering</u> - This operation is responsible for processing the City's accounts receivable billings, maintaining customer aging schedules and files, processing delinquent accounts, and initiating collection procedures. In addition, this operation is responsible for timely deposit and safekeeping of cash.

<u>Utility Billing</u> - This operation is responsible for processing monthly utility billings for approximately 10,000 customers. In addition to issuing monthly bills to customers, utility billing staff initiates customer turn on/turn off service requests, maintains customer history files, receives and posts utility-related payments, and assists customers with all account-related inquiries.

Administrative Services Finance Administration

| Fund Name: | General |
|--------------------------------|---------|
| Fund Number/Department Number: | 111-210 |

PROGRAM DESCRIPTION:

The Finance Administration Program manages and coordinates the financial functions of the City and the Successor Agency to the Monrovia Redevelopment Agency. It provides fiscal guidance on accounting issues to all departments. Finance Administration develops and monitors a stable, long-term financial plan for the City of Monrovia. Responsibilities include investment and cash management, creation and revision of department and City-wide policies regarding financial issues, budget preparation and monitoring, and long-term strategic and financial forecasting.

Administrative Services Utility Billing and Collection

Fund Name: Water Utility
Fund Number/Department Number: 411-227

PROGRAM DESCRIPTION:

The Utility Billing and Collection Program is responsible for generating utility bills for the City's approximately 10,000 customers each month. Direct program costs to generate bills, including staffing costs, are reflected in this program. The Utility Billing Department currently prepares approximately 120,000 utility bills a year, which generates an estimated \$7.7 in water sales revenue for the Water Service Division.

Administrative Services Retirement Debt Service

Fund Name: Pension Obligation Bonds
Fund Number/Department Number: 214-255

PROGRAM DESCRIPTION:

The Retirement Debt Service Program accounts for all debt service payments for the Taxable Pension Obligation Bonds. The proceeds of the bonds were used to pay off a portion of the City's unfunded liability to the California Public Employees' Retirement System (CalPERS). Funds from the City's pension override tax are used to pay principal and interest on these bonds.

Administrative Services Hillside Acquisition Debt Service

Fund Name: Hillside Acquisition Debt Service
Fund Number/Department Number: 713-256

PROGRAM DESCRIPTION:

The Hillside Aquisition Debt Service Program accounts for all debt service payments for the Hillside Wilderness Preserve Bonds. In July 2000, the voters of Monrovia approved the "Wilderness Preserve Open Space" tax measure. Voters approved the protection and preservation of open space by the adoption of the "Hillside Wilderness Preserve" and "Hillside Recreation" designations. Voters also approved the funding for the acquisition and maintenance of open space land by creating a special tax. The maintenance tax generates approximately \$80,000 a year. The tax generated for the acquisition of open space resulted in a bond issue of \$9,500,000. The Hillside Acquisition Debt Service Program is used to pay debt service related to the bond issue.

Administrative Services Hillside Acquisition Capital Project

Fund Name: Hillside Acquisition Capital Project
Fund Number/Department Number: 714-257

PROGRAM DESCRIPTION:

The Hillside Wilderness Capital Project Program accounts for all capital improvements associated with the Hillside Wilderness Preserve Project Area. In July 2000, the voters of Monrovia approved the "Wilderness Preserve Open Space" tax measure. Voters approved the protection and preservation of open space by the adoption of the "Hillside Wilderness Preserve" and "Hillside Recreation" designations. Voters also approved the funding for the acquisition and maintenance of open space land by creating a special tax. The maintenance tax generates approximately \$80,000 a year. The tax generated for the acquisition of open space resulted in a bond issue of \$9,500,000. The Hillside Acquisition Capital Project Program is used to purchase property for the Hillside Wilderness Preserve and to pay for other project expenses related to the Hillside Wilderness Preserve.

Administrative Services Library Bond Debt Service

Fund Name: Library Bond Debt Service
Fund Number/Department Number: 715-258

PROGRAM DESCRIPTION:

In March 2007, the voters of Monrovia approved the passage of Measure L, a ballot measure which approved the funding to pay for the design, construction, and furnishing of a new Monrovia Public Library by creating a special parcel tax. The revenues generated by the special parcel tax resulted in a bond issue of \$15,850,000, which was later refinanced to \$13,865,000 in 2017. The Library Bond Debt Service program is used to pay for the debt service related to the bond issue.

Administrative Services HIDTA Grant Program

Fund Name: HIDTA Grant
Fund Number/Department Number: 247-37X

PROGRAM DESCRIPTION:

The HIDTA Grant Program helps fund law enforcement activities that combat drug trafficking within the Los Angeles HIDTA area. Beginning in fiscal year 2006-2007, the City of Monrovia accepted fiduciary responsibility for the administration of the High Intensity Drug Trafficking Area (HIDTA) Grant. As fiduciary, the City is a conduit for the grant funds. The City makes payment for grant-related expenditures based upon approved invoices, and subsequently requests reimbursement from the Office of National Drug Control Policy.

Administrative Services LA CLEAR Discretionary

Fund Name: Other Fiduciary Police Grants
Fund Number/Department Number: 249-381

PROGRAM DESCRIPTION:

The LA CLEAR Discretionary Program tracks fiduciary grants and other funding for the Los Angeles Regional Criminal Information Clearing House (LA CLEAR), a multi-agency investigative and intelligence law enforcement task force. The City, acting in a fiduciary capacity, is a conduit for the funds generated through LA CLEAR.

Administrative Services OES/BSCC Grant Program

Fund Name: OES Grant
Fund Number/Department Number: 248-386

PROGRAM DESCRIPTION:

The OES/BSCC Grant Program helps fund law enforcement activities that combat drug trafficking within the Los Angeles area. In fiscal year 2006-2007, the City of Monrovia accepted fiduciary responsibility for the administration of the Governor's Office of Emergency Services (OES) Anti-Drug Abuse Program Grant. During fiscal year 2012-2013, the grant was transferred to the jurisdiction of the Board of State and Community Corrections (BSCC), a new agency established as part of the Governor's 2011 Public Safety Realignment Program. The City is a conduit for the funds related to this grant. The City makes payment for grant related expenditures, based upon approved invoices, and subsequently requests reimbursement from the grantor.

Administrative Services AB 109 Task Force/War Room

Fund Name: Other Fiduciary Police Grants
Fund Number/Department Number: 249-391

PROGRAM DESCRIPTION:

The AB 109 Task Force/War Room Program was created through passage of Assembly Bill 109, a realignment law that transfers the responsibility of supervising low-level, non-serious, non-violent felony offenders and prison parolees from state to local responsibility. Realignment came about in early 2011 through enactment of California Assembly Bill 109.

Administrative Services Prop C & Measure R Debt Service

Fund Name: Prop C & Measure R Debt Service
Fund Number/Department Number: 226-543

PROGRAM DESCRIPTION:

Proposition C and Measure R Debt Service Program funds have been secured through a bond measure to fund eligible street repairs for the Monrovia Renewal Capital Improvement Program. The main function of this department is to use annual Proposition C and Measure R revenues to pay the annual debt service payments on the bonds. The Proposition C and Measure R bond proceeds total approximately \$13,600,000 and are to be paid off over the course of 30 years (due December 1, 2045).

Police Department

The Monrovia Police Department has a long tradition of innovation and service. This tradition has been carried on by highly qualified police professionals, who exhibit the passion and energy needed to fulfill the law enforcement role in our community. The overall values that are the hallmark of our organization are integrity first, service before self, and excellence in everything we do.

ADMINISTRATION

The Chief of Police is the executive officer of the Police Department and is responsible for administration of day-to-day affairs of the police organization. The Chief provides leadership and general administrative direction necessary for effective delivery of law enforcement services. Administration also includes budget coordination and management, personnel and payroll administration, strategic planning, organizational mentoring and development, and community support.

SUPPORT SERVICES DIVISION

The Support Services Division is managed by a captain. The division is comprised of Records, Jail Operations, Court Services, Property and Evidence, Communications, Crime Analysis, Technology, Detectives, Community Policing and the Special Enforcement Team. Personnel from this Division perform in support roles to many of the Department's operational areas.

OPERATIONS-PATROL DIVISION

The Operations Division is managed by a captain. The division includes Uniform Patrol Services, Bicycle Patrol, Chaplains, Reserve Police Officers, Traffic Enforcement, Regional Tactical Team Management, Explorers, Homeland Security Responsibilities, Personnel and Training, and Air Support. Personnel from this Division are the first responders to all calls for service and conduct most preliminary investigations.

DETECTIVE BUREAU

The Detective Bureau is commanded by a lieutenant who works under the supervision of the Services Captain. The Detective Bureau is responsible for follow-up and completion of felony and misdemeanor criminal cases, and preparation of these cases for filing with the District Attorney's Office. The Special Enforcement Team (SET) is also managed through the Detective Bureau, and consists of a sergeant and three police officers. SET is responsible for targeting specific crime problems with emphasis on narcotics and gang enforcement.

ASSET FORFEITURE PROGRAM

This program account funds the detective position assigned to the Los Angeles Interagency Metropolitan Police Apprehension Crime Task Force (LA IMPACT). LA IMPACT is a multi-agency task force which targets, investigates, and prosecutes persons involved in mid to high-level narcotics trafficking and money laundering. Through the asset forfeiture process, the task force seizes illegally derived assets and returns a portion to each participating city.

COMMUNICATIONS, CRIME ANALYSIS AND TECHNOLOGY (CCAT) BUREAU

The Communications, Crime Analysis and Technology Bureau is managed by a civilian supervisor with overall responsibility over these units. The Police Communications Center is the public safety answering point for both Police and Fire Department 9-1-1 emergency calls. The Center also receives and dispatches all other calls for service received by the Police Department. Crime Analysis collects, collates, and analyzes crime data from the Department's information system and a variety of other sources. This data is then disseminated to patrol officers and investigators to provide information concerning crime trends, patterns, and suspect information. Additionally, this unit produces reports for administrative studies and projects, as well as provides training, help desk, and technical support for all users. Technology Services provides daily maintenance, support and upkeep of all computer, communications, and video systems within the Police Department.

Police Department

COMMUNITY POLICING PROGRAM

The Community Policing Bureau is run by a sergeant and is staffed with a community policing officer and a school resource officer. The bureau seeks to improve the quality of life for Monrovia residents by targeting criminal and social problems in the community. The Community Policing Sergeant and Officer coordinates a variety of resources to eliminate neighborhood problems and blighted conditions and manages a variety of ongoing programs, including Neighborhood Watch, At Risk Youth Counseling, child identification and printing, station tours, home security checks and seminars, business security and crime prevention training, Citizen Patrol, and station volunteers. The school resource officer works directly with the students and faculty of the Monrovia Unified School District to educate, counsel and liaison between the district and the police department on all related matters.

ANIMAL CONTROL SERVICES

The Police Department contracts with the Pasadena Humane Society (PHS) to provide animal control services to the community. PHS officers provide day-to-day field services, handling all animal related calls for service. PHS provides shelter and veterinarian services, animal licensing, and responds to emergency call outs.

CROSSING GUARDS

The Police Department contracts with All Cities Management Services to provide school crossing guards for 9 locations near the Elementary and Middle Schools of the Monrovia School District. All Cities Management Services completely manages the hiring, training and operation of all school crossing guards throughout the school year.

Police Department Police Administration

Police Department Traffic Safety

Fund Name: Traffic Safety
Fund Number/Department Number: 231-333

PROGRAM DESCRIPTION:

The Traffic Safety Program supports the effective operation of the community's parking resources. This is accomplished through enforcement of parking regulations throughout the commercial and residential areas of the community. Parking enforcement ensures that street sweeping services are delivered without unnecessary delay, and parking accommodations are available to those who live and conduct business in the community. The full time parking control position is a lead parking control officer who is responsible for coordinating services and managing the administrative review process. Parking enforcement officers are also responsible for marking and impounding abandoned vehicles. Additionally, traffic safety and speed reduction trailers are used throughout the community to augment the Department's traffic safety efforts.

Police Department Detectives

| Fund Name: | General |
|--------------------------------|---------|
| Fund Number/Department Number: | 111-340 |

PROGRAM DESCRIPTION:

The Detective Bureau Program is responsible for follow-up and completion of felony and misdemeanor criminal cases, and preparation of these cases for filing with the District Attorney's Office. The Special Enforcement Team (SET) is also managed through the Detective Bureau, and consists of a sergeant and three police officers. SET is responsible for targeting specific crime problems with emphasis on narcotics and gang enforcement. The Detective Bureau is commanded by a lieutenant.

Police Department Asset Forfeiture

Fund Name:

Fund Number/Department Number:

Asset Forfeiture
245-341

PROGRAM DESCRIPTION:

The Asset Forfeiture Program funds the detective position activities assigned to the Los Angeles Interagency Metropolitan Police Apprehension Crime Task Force (LA IMPACT). LA IMPACT is a multi-agency task force which targets, investigates, and prosecutes persons involved in mid to high-level narcotics trafficking and money laundering. Through the asset forfeiture process, the task force seizes illegally derived assets and returns a portion to each participating agency. Assets seized by local narcotics detectives are also tracked in this account.

Police Department

Communications, Crime Analysis and Technology

| Fund Name: | General |
|--------------------------------|---------|
| Fund Number/Department Number: | 111-342 |

PROGRAM DESCRIPTION:

The Communications, Crime Analysis and Technology Program is managed by a civilian supervisor with overall responsibility over these units. The Police Communications Center is the public safety answering point for 9-1-1 emergency calls. The Center also receives and dispatches all other calls for service received by the Police Department. Crime Analysis collects, collates, and analyzes crime data from the Department's information system and a variety of other sources. This data is then disseminated to patrol officers and investigators to provide information concerning crime trends, patterns, and suspect information. Additionally, this unit produces reports for administrative studies and projects, as well as provides training, help desk, and technical support for all users. Technology Services provides daily maintenance, support and upkeep of all computer, communications, and video systems within the Police Department.

Police Department Community Policing

Fund Name: General
Fund Number/Department Number: 111-350

PROGRAM DESCRIPTION:

The Community Policing Program seeks to improve the quality of life for Monrovia residents by targeting criminal and social problems in the community. This program is run by the Community Policing Sergeant, who along with a Community Policing Officer, coordinates a variety of resources from within and throughout the City to eliminate neighborhood problems and blighted conditions. The Community Policing Sergeant and Community Policing Officer coordinate and manage a variety of ongoing programs, including Neighborhood Watch, At Risk Youth Counseling, child identification and printing, station tours, home security checks and seminars, business security and crime prevention training, Citizen Patrol, and station volunteers. A School Resource Officer is also assigned to the Bureau. This officer is a liason with all public schools in the city. The School Resource Officer advises school staff on safety issues, counsels students and conducts investigations that arise in the schools.

Fire Department

Monrovia Fire & Rescue is a full-service professional public safety department providing fire suppression, emergency medical service, fire prevention and public education assistance to all constituents living, working or visiting within the city. Providing efficient, effective fire and life safety service out of two fire stations, 44 suppression personnel, two prevention personnel and three administrative personnel provide assistance through six essential divisions:

ADMINISTRATION

The Fire Administration Division is tasked with the overall effectiveness and efficiency of Monrovia Fire & Rescue. Consisting of the Fire Chief, Office Administrator and Senior Administrative Assistant, the Fire Administration Division is responsible for overall leadership and strategic management of the department. Critical to these tasks are the management and coordination of all activities within the department, including budget coordination and management; personnel and payroll administration; planning and organizational development; leadership and succession planning. Administration supports each division within the department to provide exceptional fire and life safety service within available resources.

FIRE SUPPRESSION

The Fire Suppression Division includes those activities that are most traditional to the fire service. Suppression personnel respond to fires, floods, medical aid calls, hazardous material release incidents and extrication rescue calls, while also providing non-emergency public assistance. This division includes activities related to fire prevention, business inspections, pre-fire planning, training, apparatus maintenance and emergency two-way radio communication support.

FIRE PREVENTION

The Fire Prevention Division is tasked with one of the most important aspects in the fire service – reducing the likelihood of fires and fire-related injuries, while mitigating the potential severity of those events that do occur. Fire prevention activities include inspections of buildings and premises for code compliance; fire suppression equipment plans reviews; fire investigation; preparing and revising laws and codes; safety and fire prevention public education; and enforcement of fire regulations.

EMERGENCY MEDICAL SERVICES

The Emergency Medical Services (EMS) Division provides pre-hospital basic life support (BLS) and advanced life support (ALS) emergency medical care and patient stabilization, while assisting with patient transportation to medical facilities, as necessary. Quickly becoming the most widely utilized service within the fire department, the EMS Division is positioned to provide efficient, effective life safety support using the most advanced pre-hospital medical technology available. An emphasis on superior quality of patient care is maintained through continuing education and quality assurance mandates of all EMS personnel.

EMERGENCY PREPAREDNESS

The Emergency Preparedness Division is responsible for the development and maintenance of the City disaster plan that coordinates the local, State and Federal resources needed to manage disaster incidents impacting Monrovia. The primary purpose of the Emergency Preparedness Division is to support and improve the ability of the City and its residents to mitigate, prepare, respond and recover from disasters, both natural and man-made.

HAZARDOUS MATERIALS

The Hazardous Materials Division ensures compliance with the mandates of the State Legislature for the hazardous materials disclosure program. The Division monitors hazardous material storage and disclosure information of all businesses within the City of Monrovia and assists with the development of business and area plans in the event of accidental release. Activities include the important aspect of chemical inventory and disclosure which assists fire suppression personnel with the proper tactics and strategies to take in the event of a hazardous materials release, thereby further improving fire and life safety within the community.

Fire Department Fire Administration

Fund Name: General Fund
Fund Number/Department Number: 111-410

PROGRAM DESCRIPTION:

The Fire Administration Program is responsible for planning, organizing and directing all activities within the Fire Department including fire suppression, emergency medical services and prevention activities. Supervision of department staff, coordination of activities with other departments, completion of complex assignments and staff assistance to the City Manager and City Council is included. Of importance is budget management, personnel and payroll administration and organizational development. Administration supports each division of the department to provide the most effective service level within available resources.

Fire Department Hazardous Materials

Fund Name: Hazardous Materials
Fund Number/Department Number: 235-431

PROGRAM DESCRIPTION:

The Hazardous Materials Program complies with the mandates of the State Legislature for administering the hazardous materials disclosure program. Hazardous materials storage and disclosure information is monitored to assist with the development of business and area plans to reduce the likelihood of an accidental release and to mitigate the effects in the event a hazardous materials release occurs. The Hazardous Materials Division works closely with fire prevention and fire suppression to catalogue and monitor the hazardous materials and processes used by businesses within the City, with the goal of continued public safety.

Fire Department Emergency Medical Services

Fund Name: General Fund
Fund Number/Department Number: 111-441

PROGRAM DESCRIPTION:

The Emergency Medical Services Program provides pre-hospital emergency medical care and patient stabilization, while assisting with transportation to medical facilities, as necessary. Care provided to patients that are injured or ill includes advanced life support by State licenced Paramedics and basic life support by State Certified Emergency Medical Technicians. Continuing education, quality assurance of care and advanced use of medical equipment and technology support the services provided.

Fire Department Emergency Preparedness

Fund Name: General Fund
Fund Number/Department Number: 111-442

PROGRAM DESCRIPTION:

The Emergency Preparedness Program is responsible for the development and maintenance of a citywide disaster plan and Emergency Operations Center that will coordinate the Local, State and Federal resources necessary to manage disasters impacting Monrovia. The purpose of the program is to support and enhance the ability of the City and its residents to prepare, mitigate, respond and recover from disasters, both natural and man-made, as well as advocate for citizen participation related to emergency preparedness. The division also manages the department's volunteer services programs such as CERT, Fire Cadets and Fire Explorers.

Fire Department Fire Grants

Fund Name: Fire Grant Fund
Fund Number/Department Number: 244-450

PROGRAM DESCRIPTION:

The Fire Grants Program accounts for funding received from Federal, State, and Local grant authorities. Service expectations placed on emergency services organizations are increasing, including the fire service's role in Emergency Medical Services (EMS) delivery, response to natural disasters, hazardous materials incidents, technical rescue, and acts of terrorism. This expanding mission comes at a time when local government budgets are stretched increasingly thin, which translates into more duties with fewer dollars to support them. Actively pursuing grants (such as Homeland Security, Assistance to Firefighters and California Fire Safe Council) has become a priority and an attractive funding stream to support service delivery.

Fire Department Fire Equipment/Radios Maintenance

Fund Name: Equipment Replacement
Fund Number/Department Number: 512-460

PROGRAM DESCRIPTION:

The Fire Equipment/Radios Maintenance Program is responsible for the purchase and maintenance of all equipment, tools and two-way emergency radios necessary to support fire and emergency medical service delivery. Included in the program are depreciation schedules and replacement cycles for critical equipment that supports the safety of personnel and the community, as well as recommendations for new technology and equipment upgrades to improve service delivery.

Fire Department Fire Vehicle Replacement

Fund Name: Equipment Replacement
Fund Number/Department Number: 512-461

PROGRAM DESCRIPTION:

The Fire Vehicle Replacement Program is coordinated by the Operations Chief who, working with staff, evaluates and recommends the replacement cycle and budget requirements that are needed to support the replacement of fleet vehicles and fire apparatus. Included in this program are the development of depreciation schedules and replacement cycles for apparatus, design and selection of replacement apparatus, and oversight of placing new apparatus into service.

Community Development Department

The Community Development Department is dedicated to serving the community, protecting the quality of life, preserving property values, and improving the built and natural environment. The department has diverse duties and programs operated among the three divisions: Planning, Building, and Neighborhood and Business Services.

ADMINISTRATION

The Director of Community Development is responsible for administration and operation of the department, the budget, staff training, public records management, regional coordination, and for special programs including film production and special event permits and staff support to the Art in Public Places Committee. Efficient coordination of the Development Services process among three separate departments is another important goal.

PLANNING DIVISION

The Planning Division plays a critical role in achieving the City Council's goals and objectives relative to the physical development of Monrovia. The Division's responsibilities are in three primary areas: current planning, long-range (advance) planning and historic preservation. Planning provides staff support to the Planning Commission, Historic Preservation Commission, and Development Review Committee. Planning also provides support to the City Council in the submission, analysis, recommendation, and approval of development proposals and land use policy considerations.

Current Planning

Current planning focuses on the day-to-day activities of the Division. Planning staff provides zoning information to the public, the review of development plans for compliance with applicable zoning regulations, field inspections of approved projects, and compliance with the National Environmental Protection Act (NEPA) and the California Environmental Quality Act (CEQA).

Long-range Planning

Long-range, or advance planning, is focused on the administration of the City's General Plan with periodic updates of the land use, housing, circulation, open space, conservation, noise, and safety elements, collecting and analyzing data relative to the community's future land use needs. The continued implementation of the Neighborhood Study, a comprehensive review of Monrovia's development, design and historic preservation regulations, will continue to be a priority.

Historic Preservation

Monrovia has a very rich heritage, which has been successfully maintained through a robust Historic Preservation program. Planning staff administers the provisions of the Historic Preservation Ordinance, which includes oversight of the City's register of over 140 historic landmarks, two historic districts, and the administration of over 125 Mills Act Contracts. The recent expansion of the City's demolition review process and the commencement of the City-wide Historic Context Statement project significantly increase the level of staff support required to administer the program.

BUILDING DIVISION

The Building Division is organized into plan check, permitting and inspection services. The Building Division is charged with keeping all municipal codes in compliance with the International and California codes, as well as ensuring all staff maintains a high level of training and has all necessary ICC Certificates (International Code Council). Building also reviews new construction to ensure compliance with CALGreen, the first statewide green building standards code in the nation. The implementation of a new permitting software program, TRAKiT, will be a major initiative during FY2018.

Community Development Department

NEIGHBORHOOD AND BUSINESS SERVICES

The Neighborhood and Business Services Division is comprised of three sections: Code Enforcement, Neighborhood Services and Business Services.

Code Enforcement

The Code Enforcement Section is responsible for the enforcement of violations of state, county, and municipal codes related to public nuisances, unsafe substandard conditions, property maintenance, and zoning/land use on residential and commercial properties. The result is the preservation of the quality of life, community environment and property values for the citizens of Monrovia.

Code Enforcement Officers respond to citizen complaints regarding code violations, abate inoperable junk vehicles, and coordinate the removal of discarded shopping carts, trash, and other debris from the public right-of-way. Code Enforcement Officers provide Code-Ed educational workshops to residents, and facilitate California Association of Code Enforcement Officers (CACEO) continuing education workshops attended by code enforcement personnel from surrounding cities. Additionally, Code Enforcement staff routinely partner with Community Policing staff to provide comprehensive enforcement strategies to gain compliance at properties where both crime and blight conditions exist.

Code Enforcement's primary compliance tool is the Administrative Citation Program. This program that became effective in 2008 has proven successful in gaining compliance, reducing repeat violators and has decreased City costs of filing criminal cases.

Neighborhood Services

The Neighborhood Services section is responsible for the administration of the Community Development Block Grant (CBDG) program, the Monrovia Area Partnership (MAP) program and facilitates the Neighborhood Strategy Team (NST).

The CDBG program includes the administration (involving adherence to strict Federal HUD guidelines) of grant monies that assist in funding the Code Enforcement Program and the Residential Rehabilitation (Grant) Program.

MAP began in 2006 with a concerted effort to address increased crime, blight and resident apathy in focused areas of Monrovia. Over the life of the program, the overall MAP philosophy of partnership and community engagement have spread city-wide.

Neighborhood Services staff advance the goals of MAP of increasing community engagement, partnership, and neighborhood building through various programs. Resident education is accomplished through the MAP Adult Leadership Academy, MAP Youth Leadership Academy, MAP Quarterly Educational Workshops, and the MAP Annual Neighborhood Conference. Engagement is facilitated through efforts such as the MAP Neighborhood News Newsletter, Neighborhood Meetings, MAP Neighborhood Alerts, the Neighborhood Fix Blog, and the MAP Summer Neighborhood Movie Series. Care for Your Neighborhood is another MAP strategy for partnership and engagement by assisting a needy neighbor.

Business Services

The Business Services section is responsible for the processing of business licenses for in town and out of town businesses who conduct business in the City of Monrovia. Additionally, specialized business licenses, including massage, autos for hire, and mobile vendors, are tracked for compliance with applicable regulations. This section is also tasked with monitoring illegal business activities and unpermitted vending. The recent addition of a Code Enforcement Officer focused on commercial properties provides a much needed support to the business license section.

Community Development Community Development Administration

Fund Name: Development Services
Fund Number/Department Number: 281-510

PROGRAM DESCRIPTION:

The Community Development Administration Program funds the Director of the Community Development and support staff who oversee the overall operation of department activities including Planning, Building and Safety, Business Services, Code Enforcement, MAP, Historic Preservation, Art in Public Places, Filming Coordination and Special Event Permits. The Community Development Director prioritizes operational efficiencies to support and enhance economic development and provides support to the Art in Public Places Committee.

Community Development Historic Preservation

Fund Name: Development Services
Fund Number/Department Number: 281-524

PROGRAM DESCRIPTION:

The City's Historic Preservation Program is staffed by the Planning Division, who is responsible for administering the requirements of the Historic Preservation Ordinance. Activities include processing applications for historic landmarks and districts, Mills Act Contracts, Certificates of Appropriateness and demolition reviews. During this budget period, special projects include the completion of a citywide historic context statement and a review of the Ordinance and Mills Act policies. Planning provides staff support to the Historic Preservation Commission.

The Public Services Department consists of two distinct divisions; Community Services and Public Works. Community Services consists of Library and Recreation Programs and Public Works includes Field Services, Engineering, and Water / Sewer Utilities. Together, the two Divisions are essential in providing a healthy, thriving and premier community.

The community relies on the Community Services Division for the pursuit of health and fitness, life-long learning, connecting with nature, and/or seeking a sense of belonging. The Division enhances quality of life through programs and services that provide information and knowledge, leisure experiences, and exploring natural resources. Public Services encourages individuals and groups to connect with one another by providing interactive programming, such as community events, contract classes, outdoor education, literacy services, job and career planning, reading clubs, and volunteer opportunities. These elements combine to promote an environment where people want to live, work, and play.

The community relies on the Public Works Division for the maintenance and upkeep of the City's infrastructure, sanitation systems, utilities and other amenities. The Public Works Division's mission is to serve Monrovia's future by planning, designing and building infrastructure, utilities, parks, and facilities to meet the community's needs and ensure an enriched community will thrive.

Administration

The Community Services Division administration includes front office operations providing customer service to the public through the dissemination of information, class/program registration, MTA/Bus Pass sales, managing purchase orders, payment of department invoices, daily revenue deposits, and personnel records. This work unit is responsible for the clerical functions of the department, from transcribing minutes and finalizing the Community Services Commission, Library Board, and MOTAB packets, to clerical support for full-time staff.

The Public Works Division Administration is responsible for strategic planning, personnel, payroll, financial reporting, budget, contract management and record keeping, legislation tracking, as well as community support. Environmental Services is responsible for integrated waste management programs, and service contracting for solid, household hazardous and electronic wastes public outreach, energy efficiency programs, and assisting Engineering in the transition of the stormwater management program. The administrative staff also maintains the Blue Star Banner Program honoring Monrovia military personnel.

COMMUNITY SERVICES DIVISION

Recreation Program Area

Recreation provides enriched programs and opportunities for the entire community. This is accomplished by offering active and passive recreation programs, community events, facility rentals, and the opportunity to experience the natural resources that exist within the urban and wilderness park areas. Events, activities, and programs are developed based on the community dynamic, and the ability to deliver all services with the highest level of customer service. Our success is achieved through thoughtful planning and evaluation, effective collaboration, and a desire to create a premier community where all individuals thrive.

Youth Programs

Youth programs provide opportunities to take part in character development activities that teach responsibility, hard work, as well as aim to improve academics. These programs engage youth in wellness activities during critical unstructured afterschool leisure times, when youth are most likely at risk to participate in unhealthy activities. The programs are designed to be affordable in order to reach the greatest number of participants. Youth programs vary depending on community needs and wants, and typically include Youth Sports, Monrovia Reads and Plays, Summer Extravaganza, and Youth Commission.

Therapeutic Recreation

Sunshine Company is the City's Therapeutic Recreation. Sunshine Company is a specialized program that focuses on providing recreation, socialization, and leisure services for individuals with disabilities. The purpose of the program is to improve the lives of these individuals through recreational activities and life skill lessons. Sunshine Company meets two times a week and once or twice a month on the weekends for fieldtrips. Activities and services include life skills, socialization, grocery shopping, cooking, crafts, excursions, movies, nutrition, and grooming lessons.

Community Events

Community events are an integral part of the quality of life for Monrovians. Recreation staff designs these events to provide celebrations that are affordable, safe, fun, and promote community togetherness. Many of the activities are made possible through contributions from local merchants and business owners who sponsor these events. Examples of traditional events include the Halloween Carnival, Holiday Parade and Tree Lighting, Monrovia Days Celebration, Spring Egg Hunt and Healthy Kids Days, and July 4th Celebration.

Contract Classes

Recreation staff recruits instructors who offer classes that promote health, wellness, and personal growth in an affordable setting. They are fun by nature, trend-driven, and pay-to-play oriented. Classes focus on the social, educational, physical, nutritional, mental, and occupational components of wellness. Quarterly classes are offered to youth and adults, and typically include exercise, dance, crafts, sports, and music.

Facility Rentals

The Facility Rental Program is designed to promote rental and/or use of the City public venues. Facilities are used by the general public for private rentals, local organizations / businesses for various functions, and for City-sponsored programs. Rental locations include the Community Center, Historical Museum, Urban Parks, Canyon Park Cabin/Conference Center and Fireman's Flat, and the Library Community Room. Program success is measured by positive feedback from customers, the number of returning and annual rental customers, and through achievement of program revenue goals.

Passport Application Services

The Passport Application Services were established in September 2003 on a part-time basis and are now offered Monday through Thursday, from 7am to 6pm, and on Friday, from 8am to 5pm. Agents review, screen and process applications for individuals applying for a U.S. Passport from the U.S. Department of State, Bureau of Consular Affairs. Passport photos are available at a cost. Customer service assistance and information is also provided. Service is available by appointment only at the Community Center. Each passport generates income for the Recreation Division and is used to offset the expenses related to the program.

Monrovia Old Town Business Improvement District

Recreation staff from the Community Service Division supports the Monrovia Old Town Business Improvement District. The duties associated with this include staff liaison to the Monrovia Old Town Advisory Board (MOTAB); preparing minutes and agendas for MOTAB meetings; implementing programs and special events as directed by MOTAB; serving as liaison to individual merchants in the Old Town District; coordinating construction projects within the Old Town District, as well as minimizing the impact of these projects on the merchants; and managing the oversight of filming in Old Town.

Active Adults and Senior Programming

This program is comprised of clubs, excursions, activities, and presentations that serve the adult and senior populations. The objective is to provide individuals with a wide variety of passive and active

recreation experiences promoting human connectivity and community engagement. These activities improve quality of life through various life stages.

Canyon Park

Canyon Park is an 80 acre Nature Park that is open daily, except Tuesday. The mission is to preserve Monrovia Canyon Park in its natural state, so the public has an opportunity to experience the beauty and solitude of nature. Canyon Park programs foster an appreciation, understanding, and respect for nature through education, while providing a safe, attractive and peaceful environment in a natural setting. Program areas include interpretative programming, family campouts, outdoor education, a nature center, a volunteer program, facility rentals, educational tours, and self-guided hiking.

Hillside Wilderness Preserve

The Hillside Wilderness Preserve was established in March 2000, when voters approved two measures on the municipal ballot. Measure A set reasonable housing densities for hillside properties and defined "Wilderness Preserve" or "Hillside Recreation" zones for City-owned hillside properties. Measure B approved a parcel tax to raise \$10 million in acquisition and maintenance funds to purchase hundreds of acres of privately owned land. The Preserve contains approximately 1,400 acres of hillside, riparian canyons, and wildlife habitat. Staff's goal is to balance public access, community education, and environmental stewardship. In 2016, Staff perfected the access points at Sleepy Hollow, Ridgeside, Cloverleaf, and Highland to open 4 miles of passive trails. The Hillside Wilderness Preserve is monitored daily for appropriate recreational use, invasive plant encroachment, native plant and land restoration, and non-native wildlife. A Ranger Reserve Program was established to support staff in their endeavors to monitor the hillsides.

Library Program Area

The Monrovia Public Library enriches lives by fostering life-long learning. This is achieved by ensuring every member of the community has access to a range of ideas and information, in a variety of formats, to meet the educational, informational, and recreational needs of the community. Staff monitors economic, educational, technological, and library trends to plan services and programs. Staff promotes services and programs through marketing and publicity, including social media. The Library includes five points of service: Circulation, Youth, Adult, Literacy, and Veterans. Most importantly, the Library is a place for the community to meet, discover, and learn.

Circulation Services

Circulation Services is the first point of contact for the public. Staff greets customers as they enter the building, answers directional and informational questions, supports patrons and directs incoming calls. Staff checks materials in and out of the Library, processes new library materials, and manages overdue fines and payments. Additionally, staff provides administrative support by monitoring the budget and processing invoices and personnel forms.

Youth Services

Youth Services presents programs and activities to support educational, recreational and developmental needs of children through literacy and STEAM programs. Types of programming include storytimes, inquiry-based learning, technology programming, class visits, and outreach events. Staff provides reference services and reader's advisory services to youth of all ages, parents, caregivers, and people who work with youth. Staff develops a collection of resources in both print and non-print formats to support 21st century job skills, literacy development, educational and recreational needs, and local school curriculum.

Adult Services

Adult Services provides ready reference and reader's advisory services to adults using a collection of current and relative materials in a variety of formats including digital, print, and non-print resources.

Educational and cultural programs and activities support life-long learning for adults of all ages. Preservation of local history supports the community's heritage. Staff uses volunteers to deliver library materials to homebound patrons and is responsible for managing the Volunteer Program by recruiting, hiring, and training quality volunteers to support the goals of the Library.

Literacy Services

The Adult Literacy Program provides one-to-one or small group instruction by trained volunteer tutors. Resources include digital and print materials and instruction is based on each individual's goals and supports English speaking adults with basic reading and writing skills. As a result, adult learners can reach their potential as workers, parents, community members and life-long learners.

Staff is responsible for managing the Adult Literacy Program, as well as recruiting, hiring, and training volunteer tutors. This is the only program dependent on donations and grants, and staff is responsible for fundraising, grant writing, and reporting statistical information to the State Library in support of the California Library Literacy Services Grant.

Veterans Services

The Veteran's Connect @ the Library Project provides assistance to reintegrate California veterans into the California workforce and our community. Veteran benefits and local service information to veterans and family members, and links to other organizations serving veterans, especially local County Veteran Service Offices, CalVet, and the Federal VA are provided.

PUBLIC WORKS DIVISION

The Public Works Division is organized into three sections: Operations, Field Services, and Utilities. The Public Works Division is responsible for all planning, construction, and maintenance of the City's public infrastructure to create a premier physical environment for the benefit of the City.

Administration

The administrative role in Public Works includes the oversight and management of the City's Environmental Services program, Fleet Management, and Transit Operations.

Environmental Services

Environmental Services includes solid waste management, storm water management and compliance with the LA County Municipal Separate Storm Sewer System, National Pollution Discharge Elimination System (MS4 NPDES) permit issued by the State of California, Los Angeles Regional Water Quality Control Board as well as implementing the City's Hazardous Waste and Recycle programs.

Fleet Services

Fleet service includes the management of over fifty diverse vehicles, as well as the regular and ongoing maintenance of the fleet. In addition, this section manages the procurement of fuel for the fleet, as well as the billing of fuel usage from neighboring agencies.

Transit Operations

Transit operations include the management of a contract provider who oversees the deployment of 9 public transit buses with over 14,000 trips per year.

Operations

The Operations Section is responsible for the planning, engineering and design, inspection, and construction management of the City's Capital Improvement Projects. The City is pursuing a robust Capital Improvement Program that includes Monrovia Renewal in addition to approximately 40 CIP projects related to improvements of the City's streets, sidewalks, traffic signals, street lighting, storm drains, and the sewer, and water systems. Engineering services are provided through a partnership of contract services and City staff. The Operations

Section staff is responsible for oversight of all City projects, including design, management, and inspection, and reviews all plans and construction for private development projects.

Field Services

The Field Services Section is divided into three primary areas of responsibility: Parks, Facilities, and Streets.

<u>The Parks Section</u> is responsible for the maintenance of the City's 8 park sites (equivalent to approximately 122 acres), all of the play equipment, the Skate Park, and the landscaping and turf around City Hall, Youth Center and the Museum gardens. Additional areas of responsibility include all median and parkway landscaping, maintenance and trash pickup in Old Town, and oversight and maintenance of the City's urban forest. Parks staff also provides oversight of the graffiti abatement program.

<u>The Facilities Section</u> is responsible for the routine maintenance, repairs, and improvements for 17 City-owned buildings. Staff performs a number of duties and services, in addition to overseeing several maintenance contracts, including janitorial services, security systems, and HVAC maintenance. This section is also responsible for the oversight and maintenance of the City's equipment fleet, street lights, and traffic signals.

<u>The Streets Section</u> is responsible for the 90 miles of streets and 12 miles of alleys, repairing and maintaining street right-of-ways, filling potholes, replacing damaged sidewalks/curbs/gutters, grinding and/or filling high spots, repairing tripping hazards, cleaning storm water catch basins and open channels, and administering the City's Street Sweeping Program. In addition, the Streets Section is responsible for painting all of traffic and roadway markings and maintaining 8,500 traffic signs.

Utilities

The Utilities Section is divided into four distinct areas of responsibilities: Maintenance, Production, Customer Service, and Sewer Maintenance.

<u>Water Maintenance</u>: Responsible for the installation, maintenance, and repairs of the 84 miles of water mains and approximately 9,300 water services throughout the City, including all of the appurtenances and other infrastructure within the distribution system.

<u>Water Production:</u> Responsible for the treatment and delivery of over 3 billion gallons of potable water annually, and the daily maintenance and operation of 2 water treatment facility, 5 deep water wells, and 18 booster pumps, along with taking weekly system-wide water samples to meet the State mandated water quality testing requirements.

<u>Customer Service</u>: Responsible for reading over 9,300 water meters on a monthly basis, replacing damaged or broken water meters, lids and boxes, repairing meter leaks, performing emergency water turn-offs/ons, performing leak detection testing and administering the City's Cross Connection Inspection Program for over 1,200 backflow device.

<u>Sewer Maintenance:</u> Responsible for the prevention of sewer overflows by maintaining and cleaning the 93 miles of sewer mains. This is done through high pressure water jetting and video inspection of problem areas.

COMMUNITY SERVICES DIVISION RECREATION

Public Services Recreation Administration

Fund Name: General
Fund Number/Department Number: 111-610

PROGRAM DESCRIPTION:

The Recreation Administration Program is responsible for the management support and coordination of all the program activities within the Recreation Division. This section ensures programs under Recreation meet the needs of Monrovia residents and enhances their quality of life. All membership fees, education and training funds were moved from 611, 612, 619, 620, 627 into the Administration Budget for the FY 2017-2018 and FY 2018-2019.

Public Services Canyon Park

| Fund Name: | General |
|--------------------------------|---------|
| Fund Number/Department Number: | 111-622 |

PROGRAM DESCRIPTION:

The Canyon Park Program is responsible for the operation and maintenance of the nature center, designated picnic areas, hiking trails, a natural waterfall, and a cabin/conference facility available for rental purposes. The Park is an 80-acre wilderness environment (with 22 developed acres) used for outdoor education purposes, hiking, picnicking, nature activities and overnight camping.

Public Services Summer Extravaganza

Fund Name: General Fund
Fund Number/Department Number: 111-626

PROGRAM DESCRIPTION:

The Summer Extravaganza Program is designed to provide a safe environment for youth to participate in recreational activities such as sports, arts and crafts, passive games and team building. Until the 2014-15 fiscal year, the program was funded through Community Development Block Grant monies. The program is now funded through the General Fund, beginning in the 2015-16 fiscal year.

Public Services Youth Sports

| Fund Name: | General |
|--------------------------------|---------|
| Fund Number/Department Number: | 111-627 |

PROGRAM DESCRIPTION:

The Youth Sports Program supports youth sports activities and the Youth Commission. The goal of Youth Sports is to help 4th and 5th grade MUSD students develop physically, mentally, and socially. The program offers football, basketball, soccer, and cheerleading. The Youth Commission challenges and empowers local middle and high school students to develop programs, services and volunteer opportunities. The students volunteer at citywide programs and average 5,000 – 7,000 volunteer hours annually.

Public Services Wilderness Management

Fund Name: General
Fund Number/Department Number: 111-628

PROGRAM DESCRIPTION:

The Wilderness Preserve and Hillside Recreation designations were established in March of 2000 as a result of the voters approving Measures A and B. The Preserve contains approximately 1,400 acres of hillside, riparian canyons and wildlife habitat. In 2016, the access points were perfected and roughly 4 miles of trails are open for passive recreational use.

Public Services The Park at Station Square

Fund Name: General Fund
Fund Number/Department Number: 111-629

PROGRAM DESCRIPTION:

The Park at Station Square Park Program utilized Station Square activity costs for the 2015-16 and 2016-17 fiscal years. For fiscal years 2017-18 and 2018-19, the Program was absorbed into various program areas, and has been taken into account with the respective program budgets. Budgeted expenditures for Station Square no longer need to be presented separately.

Public Services Passports

Fund Name: General
Fund Number/Department Number: 111-630 (previously 111-132)

PROGRAM DESCRIPTION:

The Passports Program consists of acting as an authorized passport acceptance facility on behalf of the U.S. Department of State. As part of the acceptance process, the acceptance agents must examine each application for legibility and completeness, screen citizenship evidence and photographs for acceptability, record identification, collect the required fees, and execute the application by administering an oath as to the truth of the statements given and witness the applicant's signature on the application. Applications are forwarded to the Passport Agency for final processing. The program also offers on-site Passport Photo services.

Public Services Business Improvement Assessment District

Fund Name: Business Improvement
Fund Number/Department Number: 271-122

PROGRAM DESCRIPTION:

The Business Improvement Assessment District Program is responsible for supporting and promoting the district's local merchant activities. In 1968, the City formed a Business Improvement Area (the central business district bound by Palm, Olive, Primrose and Ivy Avenues) and imposed an assessment on each business computed under various rate structures. A Board of Directors, made up of merchants from the area, is appointed to administer the activities of the Business Improvement Area. The City is responsible for collection of the assessments. In November, 1985, the District was enlarged to include the area bound by Foothill Blvd, Ivy, Olive, and Primrose Avenues (Foothill Park Plaza). Not reflected in this fund is the money raised by the Business Improvement District from filming in the downtown area. The Public Services Department provides the administration and oversight of this program.

COMMUNITY SERVICES DIVISION LIBRARY

Public Services Library Administration

Fund Name: General
Fund Number/Department Number: 111-640

PROGRAM DESCRIPTION:

The Library Administration Program accounts for the operations and administration of the Monrovia Public Library. The Library provides residents with cultural, educational and recreational reading; reference and research information for individuals as well as companies and organizations in town; provides information and ideas necessary to support lifelong learning; strengthens and extends appreciation of the cultural values of life for all ages; provides outreach services to the community; and encourages children to read with materials and programs that foster a love of learning.

Public Services Library Grant

Fund Name: Public Library
Fund Number/Department Number: 234-641

PROGRAM DESCRIPTION:

The Public Library Grant Program provides additional revenue for libraries (due to the signing of SB-558). The City must utilize this money on expenditures over and above the normal operating budget. These funds are for the software upgrade project, including equipment upgrades, program add-ons, annual maintenance, etc.

Public Services Adult Literacy

Fund Name: Public Library
Fund Number/Department Number: 234-641 64011

PROGRAM DESCRIPTION:

The Adult Literacy Program provides one-to-one or small group instruction by trained volunteer tutors. Resources include digital and print materials. Instruction is based on each individual's goals and supports English speaking adults with basic reading and writing skills. As a result, adult learners can reach their potential as workers, parents, community members and life-long learners.

Public Services Library - Youth Services

Fund Name: General
Fund Number/Department Number: 111-643

PROGRAM DESCRIPTION:

The Library - Youth Services Program provides activities and programs to support educational, recreational and developmental needs of children through literacy and STEAM programs. Types of programming include storytimes, inquiry-based learning, technology programming, class visits, and outreach events. Staff provides reference services and readers advisory services to youth of all ages, parents, caregivers, and people who work with youth. Staff develops a collection of resources in both print and non-print formats to support 21st century job skills, literacy development, educational and recreational needs, and local school curriculum.

Public Services Library - Circulation

Fund Name: General
Fund Number/Department Number: 111-644

PROGRAM DESCRIPTION:

The Library Circulation Program is the first point of contact for the public. Staff greets customers as they enter the building, answers directional and informational questions, supports telephone patrons and directs incoming calls. Staff checks materials in and out of the Library, processes new Library materials to make them ready for the public, and manages overdue fines and payments. Additionally, staff provides administrative support by monitoring the budget and processing invoices and personnel forms.

Public Services Library Bond Capital Project

Fund Name: Library Bond Capital Project
Fund Number/Department Number: 716-259

PROGRAM DESCRIPTION:

The Library Bond Capital Project Program accounts for capital improvements made to the City Library. In March, 2007, the voters of Monrovia approved the passage of Measure L, a ballot measure which approved the funding to pay for the design, construction, and furnishing of a new Monrovia Public Library. The revenues generated by this special parcel tax resulted in a bond issue of \$15,850,000. The Library Bond Construction Project program was initially established to pay for costs related to the design and construction of the new Library. It now manages the remaining bond proceeds for future building improvements.

Public Services Environmental Services

Fund Name: Environmental Services
Fund Number/Department Number: 431-712

PROGRAM DESCRIPTION:

The Environmental Services Program implements the City's waste management responsibilities as mandated by state solid waste and recycling laws (AB 939 - California Integrated Waste Management Act, AB 341 - Mandatory Commercial Recycling, AB 1826 - Organics Recycling, etc.) and described in Monrovia's Source Reduction and Recycling Element (SRRE). The comprehensive nature of this program includes planning, development, and implementation of recycling and waste reduction activities aimed at maintaining the State's solid waste diversion goals.

Public Services Engineering

Fund Name: Development Services
Fund Number/Department Number: 281-720

PROGRAM DESCRIPTION:

The Engineering Program, consisting of City staff and contract engineering services, is responsible for the design and construction administration for projects within the public right-of-way and on City properties. Responsibilities include design, preparation of construction plans, specifications, engineering estimates, administration, and inspection of all City capital improvement projects, including Monrovia Renewal. The Division works cooperatively with Community Development to review subdivision maps, grading, drainage plans, and other impacts related to private development projects.

Public Services Street Maintenance

Fund Name: Street Maintenance
Fund Number/Department Number: 213-731

PROGRAM DESCRIPTION:

The Street Maintenance Program is responsible for the repair and preventive maintenance of all City streets to ensure effective transportation of vehicular and pedestrian traffic. The Street Division is responsible for overseeing 90 miles of streets, 12 miles of alleys, 160 miles of curbs and gutters, 2,500,000 square feet of sidewalks, 15 City parking lots, all traffic markings such as lane lines, red curbs and crosswalks, and 8,500 traffic signs. Activities include sealing cracks in the pavement, repairing pot holes, overlaying streets with asphalt, repairing concrete pavement, curbs, gutters, sidewalks, and placement of sandbags for property preservation.

Public Services Street Sweeping

Fund Name: Street Sweeping
Fund Number/Department Number: 424-732

PROGRAM DESCRIPTION:

The Street Sweeping Program ensures that public streets and alleys are kept in a clean and sanitary condition. The program is responsible for sweeping along the curbs of residential and commercial streets, alleys, medians, and City parking lot sweeping. The City is currently divided into a series of residential zones that are each swept once every week. The commercial and industrial areas and the central downtown business district are swept every week, and alleys are swept once a month.

Public Services Storm Drain Maintenance

Fund Name: Storm Drain Maintenance
Fund Number/Department Number: 423-737

PROGRAM DESCRIPTION:

The Storm Drain Maintenance Program is responsible for the maintenance, operation and repair of 5 miles of City owned storm drained and 154 catch basins/culverts. The program is also responsible for the City's compliance with the LA County Municipal Separate Storm Sewer System, National Pollution Discharge Elimination System (MS4 NPDES) permit issued by the State of California, Los Angeles Regional Water Quality Control Board. This permit requires compliance with water quality based objectives, total maximum daily loads (TMDLs), and receiving water limitations. Compliance is obtained through coordinated monitoring, implementation of watershed management programs, restriction of non-stormwater discharges through inspection and enforcement programs, ongoing use of minimum control measures, and education/outreach, in order to eliminate pollutant discharges to local waters via the City's storm drain system.

Public Services Water Services

Fund Name: Water Utility
Fund Number/Department Number: 411-741

PROGRAM DESCRIPTION:

The Water Services Program is responsible for the delivery of potable water to approximately 9,300 service connections, and for the safe, efficient operation in the production and treatment of 2.1 billion gallons of water in 2016, and the daily operation of the VOC Treatment Facility at the Monrovia Well Field. The Water Division oversees all maintenance and activities related to the production and distribution system in addition to reading all customer meters and providing customer service. This Division works to implement all regulatory compliance related to water quality and conservation and is responsible for the overall health and oversight of the City's water system. Additionally, the City has secured water funds through a bond measure to fund water related capital improvement projects that are included in the Monrovia Renewal Citywide Infrastructure Program. This program will provide for water line repairs and water facility improvements over the next three (3) to five (5) years. Additional funds may be added to this program as appropriations are awarded by City Council throughout the year.

Public Services Gas Tax

| Fund Name: | Gas Tax |
|--------------------------------|---------|
| Fund Number/Department Number: | 232-744 |

PROGRAM DESCRIPTION:

The Gas Tax Program accounts for State Gas Tax revenues, also known as Highway Users Tax or Motor Vehicle Fuel Tax revenues. These revenues are derived from a tax collected on each gallon of gasoline purchased in the State of California. Gas Tax revenues are restricted for expenditures related to planning, construction, improvement, maintenance, and operation of public streets and highways. Gas Tax is allocated to cities based primarily on population. Revenues are accounted for in this program and are transferred out to other funds, such as the Street Maintenance Fund and the Street Sweeping Fund, to help fund eligible expenditures within those funds.

Public Services Sewer and Sanitation

Fund Name: Sanitation
Fund Number/Department Number: 421-746

PROGRAM DESCRIPTION:

The Sewer and Sanitation Program is responsible for maintaining and cleaning 92 miles of sewer lines. The primary preventative maintenance consists of cleaning by high pressure water jet flushing and inspecting using closed circuit television. These activities are completed on a recurring schedule. The City is currently working with a contract service company to perform all scheduled preventative maintenance. In addition, the contractor provides 24-hour emergency standby service for any sewer issue that may arise, including sewer stoppages, leaks, or overflows. The shift to more contract services is correlated to the reduction in staffing for these program areas. Additionally, the City has secured sewer funds through a bond measure to fund sewer related capital improvement projects that are included in the Monrovia Renewal Citywide Infrastructure Program. This program will provide for sewer line repairs and improvements over the next three (3) to five (5) years. Additional funds may be added to this program as appropriations are awarded by City Council throughout the year.

Public Services Equipment Pool Maintenance

Fund Name: Equipment Maintenance
Fund Number/Department Number: 512-751

PROGRAM DESCRIPTION:

The Equipment Pool Maintenance Program is an internal services fund that provides management, cost accounting, procurement, disposal, cost allocation for internal service charges, license renewal, equipment fuel, maintenance, and repair services for the vehicle and equipment pool.

Public Services Fuel Service Station

Fund Name: Equipment Replacement
Fund Number/Department Number: 512-751 75002

PROGRAM DESCRIPTION:

The Fueling Services Program provides gasoline and diesel fuel for the vehicle and equipment pool, including all City pool vehicles, the Police and Fire Departments. The City's fueling station also provides retail fueling for Monrovia Unified School District and the City of Duarte. The fueling station is maintained at the Public Works Yard and is available 24 hours a day, 365 days a year.

Public Services Facilities Maintenance

Fund Name: Facilities Maintenance
Fund Number/Department Number: 511-755

PROGRAM DESCRIPTION:

The Facilities Maintenance Program is an internal services fund which provides management, cost accounting, construction oversight, maintenance and repairs for all City buildings. The Facilities Maintenance program provides for all routine maintenance, projects, and planning for facilities. Services are provided through utilizing a combination of in-house staff and contract service providers.

Public Services Park Assessment Maintenance

Fund Name: Park Maintenance Assessment District
Fund Number/Department Number: 266-772

PROGRAM DESCRIPTION:

The Park Assessment Maintenance Program accounts for the operation and upkeep of the City's parks. In conformance with Proposition 218, a Park Assessment was brought to vote and approved by City property owners in July 1997. Revenues from the assessment are used to provide management and maintenance of the City's three regional parks: Canyon Park, Recreation, and Library Park.

Public Services Street Tree and Parks Maintenance District

Fund Name: Light and Land Assessment District
Fund Number/Department Number: 261-773

PROGRAM DESCRIPTION:

The Street Tree and Parks Maintenance District Program is responsible for tree maintenance, inlcuding annual trimmings, planting, and establishing all trees, and responding to emergency situations. Monrovia is recognized as a Tree City USA and it maintains an inventory of approximately 9,500 street and park trees. In addition, this program maintains the annual brush clearence of approximately 5 miles of roadside areas. A portion of the maintenance is included for the City's three regional parks (Canyon, Recreation, and Library).

Public Services Median and Parkway Maintenance District

Fund Name: Light and Land Assessment District
Fund Number/Department Number: 261-774

PROGRAM DESCRIPTION:

The Median and Parkway Maintenance District Program is responsible for the upkeep and maintenance of the street medians and parkway areas. Monrovia is recognized as a Tree City USA, maintaining approximately 9,500 street and park trees. Twenty percent of the parkway inventory is trimmed each year. The program is also responsible for 5 miles of roadside clearance, planting the urban forest, and responding to emergency situations as required. A portion of the maintenance is included for the City's 3 regional parks (Canyon, Recreation, and Library).

Public Services Public Works - Capital Improvement Projects

Fund Name: Capital Improvement
Fund Number/Department Number: 311-250

PROGRAM DESCRIPTION:

The Public Works - Capital Improvement Projects Program accounts for the funding of citywide capital improvements not specifically accounted for in another department. Capital improvements include new building construction, land acquisition, and major facility improvements and/or expansion. Because there is not an ongoing, dedicated revenue source to fund these projects, projects are budgeted and approved only as funding sources are identified and secured.

Public Services Proposition A Program

Fund Name: Proposition A
Fund Number/Department Number: 221-531

PROGRAM DESCRIPTION:

The Proposition A Program is supported by Metro Local Return Funds that are used for the operation and administration of transit programs, including Monrovia Transit, Recreational Transportation, and the Senior Trip Program. This fund also provides for the maintenance of transit infrastructure and amenities through the Bus Stop Improvement Program. The fund also supports Transit Administration and San Gabriel Valley Council of Governments (SGVCOG) regional planning dues.

Public Services Proposition C Program

Fund Name: Proposition C
Fund Number/Department Number: 222-532

PROGRAM DESCRIPTION:

The Proposition C Program is supported by Local Return Funds that are used for transportation-related capital projects, such as street resurfacing, Congestion Transportation programs administration, and San Gabriel Valley Council of Governments (SGVCOG) regional planning dues. Street expenditures are allowed only on streets that carry regularly scheduled, fixed-route public transit and paratransit services. In preparation for the Monrovia Renewal Infrastructure Improvement Program, Proposition C funds were used to secure a bond measure to fund eligible street repairs. This program will provide for major citywide street infrastructure improvements over the next three (3) to five (5) years.

Public Services Dial-A-Ride

Fund Name: Proposition A
Fund Number/Department Number: 221-535

PROGRAM DESCRIPTION:

The City's Dial-a-Ride Program, Monrovia Transit, provides a curb-to-curb transit service for residents and visitors of Monrovia. The system, which is operated by a contract partner, provided more than 48,000 rides in Fiscal Year 2015-16. In addition to serving the residents of Monrovia, Monrovia Transit also provides service to the City of Bradbury and portions of unincorporated Los Angeles County. The County of Los Angeles and City of Bradbury provide a proportional reimbursement to the City of Monrovia for these services.

Public Services Bus Stop Improvements

Fund Name: Proposition A
Fund Number/Department Number: 221-537

PROGRAM DESCRIPTION:

The Bus Stop Improvement Program provides for the maintenance of all transit bus stops in the City, including those of Foothill Transit and Metro. This program also provides for infrastrucutre improvements related to furnishings for transit stops, such as bus shelters, benches and trash receptacles. This fund may also be used to provide matching funds for any transit-related grant funds.

Public Services Measure R

Fund Name: Measure R
Fund Number/Department Number: 224-539

PROGRAM DESCRIPTION:

The Measure R Program is supported by Local Retrun Funds that are used to maintain streets, such as pavement crack sealing, slurry sealing, and street striping. Funds are also used in support of transportation and street infrastructure projects. In preparation for the Monrovia Renewal Infrastructure Improvement Program, Measure R funds were used to secure a bond to fund eligible street repairs. This program will provide for major citywide street infrastructure improvements over the next three (3) to five (5) years.

Administrative Services Measure M

Fund Name: Measure M
Fund Number/Department Number: 227-540

PROGRAM DESCRIPTION:

The Measure M Program is supported by Local Return Funds that are used to maintain streets and provide transit services. In November of 2016, LA County voters passed a Metro ballot measure known as the Los Angeles County Traffic Improvement Plan, which is referred to as Measure M. This plan will provide local return revenues to the City of Monrovia to fund street and sidewalks repairs, synchronized signals, transit programs for seniors, disabled and student riders, expanded transportation systems, and improved street connections.

Public Services Prop C & Measure R Projects

Fund Name: Prop C & Measure R
Fund Number/Department Number: 225-542 & 225-544

PROGRAM DESCRIPTION:

In preparation for the Monrovia Renewal Infrastructure Improvement Program, Proposition C and Measure R funds have been secured through a bond measure to fund eligible street repairs, as outlined in the 2015 Citywide Street Reconstruction Plan. This program will provide for citywide street infrastructure repairs and improvements over the next three (3) to five (5) years. Additional funds will be added to this program as appropriations are awarded by City Council throughout the year.

Full Time (F.T.E)

Accounting System - The total structure of records and procedures which identify, record, classify, summarize and report information on the financial position and results of operations of a government.

Adopted Budget - Revenues and appropriations approved by the City Council in June for the following fiscal year(s).

Allocated Costs - An expense charged by one department/division to another for services performed or expenditures of a general nature, which are charged to one main account and allocated to other departments/divisions by a specified formula.

Appropriation - An authorization made by the City Council, which permits the City to incur obligations and to make expenditures of resources.

Assessed Valuation - A value established by the County Assessor, which approximates fair market value of real or personal property. By state law, one hundred percent of the property value is used for determining the basis for levying property taxes.

Assessments - A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

Authorized Positions - The number of full time and permanent part time staff identified within a division or program measured on a full-time equivalent (FTE) basis.

Bonds - A written promise to pay a sum of money on a specific date at a specified interest rate.

Budget - A financial plan for a specific period of time (fiscal year or years) that matches all planned revenues and expenditures with various municipal services.

Budget Amendment - A legal procedure utilized by the City Manager to revise a budget appropriation. Adjustments to expenditures within or between departmental budgets may be accomplished administratively. City Council approval is required for additional appropriations from fund balance or new revenue sources.

Capital Improvement Program - Annual appropriations in the City's budget for capital improvement projects, such as street or park improvements, building construction and various kinds of major facility maintenance. They are often multi-year projects, which require funding beyond the one year period of the annual budget.

Capital Outlay - Expenditures relating to the purchase of furniture, land, vehicles, computers and equipment.

COLA - Cost of living adjustment.

Consumer Price Index (CPI) - A statistical measure of price levels provided by the U.S. Department of Labor signifying the cost of living and economic inflation.

Contingency - A budgetary reserve set aside for emergency or unanticipated expenditures, revenue shortfall and/or unknown expenditures, such as those for pending legal settlements.

Cost Recovery - The establishment of user fees which are less than or equal to the full cost of providing services.

Debt Service - The payment of principal and interest on borrowed funds such as bonds.

Debt Service Fund - A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Department - A major administrative segment of the City which indicates overall management responsibility for an operation or a group of related operations within a functional area.

Designated Fund Balance - A portion of fund balance set aside to pay for special programs or expenditures in a future period.

Division - A unit of organization which reports to a department.

Encumbrance - An amount of money committed for the payment of goods and services not yet received or paid for.

Enterprise Fund - A fund established to account for activities that are financial and operated in a manner similar to private business enterprises in which costs of providing services are fully recovered through user fees.

Estimated Budget or Estimated Year End - The status of appropriations between July 1 and June 30. Appropriations include the adopted budget, budget amendments, prior year encumbrances, approved carry forwards and transfers between objects, divisions and departments.

Estimated Revenue - The amount of revenue expected in some future period.

Expenditure - Utilization of fund resources. Expenditures include operating expenses, debt service and capital outlays.

Expenditure Category - A basis for distinguishing types of expenditures. The major expenditure categories used by the City are salaries and benefits, maintenance and operations, capital outlay, debt service and capital projects.

Fiscal Year - A twelve month time period signifying the beginning and ending period for recording financial transactions. The City has specified July 1 through June 30 for its fiscal year.

Full-Time Equivalent (FTE) – Part-time and hourly positions expressed as a fraction of full-time positions (2080 hours per year). Example: 3 positions working ½ time equals 1 ½ FTE's.

Fund - A fiscal and accounting entity for which the recording of financial transactions is made for the purpose of carrying on specific activities in accordance with the requirements placed upon the use of financial resources.

Fund Balance - The net effect of assets less liabilities at any given point in time.

General Fund - the fund used to account for the major operating revenues and expenditures of the City, except for those resources that are required to be accounted for in another fund category. General Fund revenues are derived primarily from property, sales, and other taxes, and are used to pay for tax-supported services, such as park maintenance, library, fire and police.

General Government - A grouping of administrative departments (City Manager, City Clerk, City Attorney, Human Resources, and Administrative Services) that support the operating departments which provide direct service to the public.

General Obligation (GO) Bonds - Legal debt instruments used to finance public projects. These bonds are backed by the full faith and credit of the issuing government and are paid off through general tax revenues and other legally available resources.

Goals - Tasks or projects which identify the focus of a program's activities within the budget year. These are presented to provide the reader with information regarding what can be expected based upon the resources allocated to a particular division or program.

Grants - Contributions of cash or other assets from another governmental agency to be used or expended for a specific purpose, activity or facility.

Gross - Amount prior to any deductions.

Infrastructure - A substructure or underlying foundation on which the continuance or growth of a community is dependent, such as streets, sidewalks, medians, sewer systems and storm drains.

Interfund Transfers - Movement of money from one fund to another within the City of Monrovia.

Intergovernmental Revenue - Grants, entitlements and cost reimbursements from another federal, state or local government unit.

Internal Service Fund - A fund used to account for the services provided by one department to other departments on a cost reimbursement basis.

Key Result Areas - Critical areas of City-wide or department organizational performance where positive results must be achieved for the organization to reach its goals.

Long-Term Debt - Debt with a maturity of more than one year after the date of issue.

Mission Statement - A broad direction based on the needs of the community. A mission is general and timeless; it is not concerned with a specific achievement in a given time period.

Net - Amount after consideration of any adjustments.

Objectives - Statements of measurable results to be accomplished within a specific time frame. Objectives support long-term goals.

Operating Budget - A financial plan for the provision of direct service and support functions that provide basic government services. The operating budget contains appropriations for such expenditures as salaries, benefits, services, supplies, capital outlay and debt service. It does not include Capital Improvement or Special Project expenditures.

PERS - Public Employees Retirement System.

Performance Measurement - The performance measures provide an indicator of the amount of work performed or measures the quality of effectiveness of work performed by a department or program from year to year.

Program - A unit or organization which reports and is an activity of a division.

Property Tax Apportionment - The allotment of direct taxes on the basis of population.

Proposition 4/GANN Initiative Limit - The City is required, under Article XIII.B of the State Constitution, to limit appropriations from proceeds of taxes. The annual appropriation limit is based on data received from the State, including various growth measures such as population, CPI and non-residential construction changes.

Reserve - An account used to designate a portion of the fund balance for a specific future use and which is, therefore, not available for general appropriation.

Revenue - Increases in fund resources. Revenues include income from user fees, taxes, permits, licenses, interest earnings and other sources.

Revenue Enhancements - Any action that increases current revenue sources or creates new ones.

Revised Budget - The Adopted Budget plus/minus any mid-year City Council actions.

Secured - Debt obligation guaranteed by the pledge of assets or other collateral.

Self-Supporting Activity - An enterprise activity where all service costs (including principal and interest debt payments) are covered solely from the earnings of the enterprise.

Subsidy - Supplemental resources provided to ensure adequate funding when anticipated expenditures exceed revenues.

Taxes - Compulsory charges levied by a government to finance services performed for the common benefit. This term does not include specific charges made against particular person or property for current or permanent benefits, such as assessments. Neither does the term include charges for services rendered only to those paying such charges (i.e., building permits, engineering fees, facility rentals).

Unsecured - Debt Obligation not backed by the pledge of specific collateral.

User Fees - Fees charged to users of a particular service provided by the City. Fees are established based upon cost recovery policy decisions reviewed on an annualized basis.

Utilities - A public service such as gas, electricity, water or transportation. Also used to account for a program's expenditures for services such as gas, electricity, water, refuse collection, etc.
