BICYCLE AND MOTOR VEHICLE SAFETY TIPS

As it begins to warm up here in Southern California, we encourage people to get out and ride bicycles along Monrovia's new bike paths called "sharrows." You may have seen the symbol painted on several of our streets recently, they are two arrows above the bicyclist symbol. This symbol is to remind motorists that they must share the road with bicyclists. You can also use Monrovia's new LIME BIKES that you may have seen around town!!

The California Vehicle Code regulates how people are to operate motor vehicles and bicycles on public roadways. Along with helmets required to be worn by all cyclists under 18 years old there are several other laws bicyclists and motorists must follow in order that everyone stays safe and has an enjoyable Southern California drive or ride along our roads. To take a traffic safety course through the LA County Bicycle Coalition, go to la-bike.org. For more information about the rules of the road for both motorists and cyclists you can visit the California Department of Motor Vehicle's website at dmv.ca.gov or you may contact Sergeant Daniel Verna or Officer Javier Leon in the Community Activist Policing Office at 626-256-8020 or dverna@monrovia.laclen.org
