The program centers on vibrant pink versions of the agency's uniform patches. Monrovia Police Department employees will be wearing these pink patches on their uniforms during "Breast Cancer Awareness Month" this October. The pink patches are intended to stimulate conversations within the community and raise public awareness about the importance of early detection and treatment in the fight against breast cancer.

The Monrovia Police Department and the Monrovia Police officers' Association are selling our commemorative pink patches to the community, along with Pink Patch Project T-shirts, challenge coins and other items. Beginning September 3, these items will be sold at the Monrovia street fair, in our lobby, and on the [City of Hope website](#).
