

Summary of public comments for Historic Preservation Commission Special Meeting on November 10 2020

Name	Subject	Comment Summary or Full Comment if brief
Janie Gallendat-Kane	Public Comment in favor for Agenda Item PH-2	<p>I am happy to endorse and support that the property at 363 Patterson Dr. be approved for Landmark Status. I am Tina's neighbor at 354 N. Magnolia Ave. My husband and I have enjoyed the benefits of our own Historic Landmark status, as well as Mills Act contract. We consider it an important step in our neighborhood to preserve as many historic homes that qualify as possible. The property on Patterson Drive is charming; a classic example of English Tudor Cottage and in very good condition. We look forward to encouraging many more homeowners in our city to preserve their period homes and with your status approval ensure their efforts are rewarded.</p> <p>Thank you for the opportunity to share my comments and opinions.</p>
