

**CITY OF MONROVIA  
COMMUNITY SERVICES COMMISSION  
AGENDA REPORT**

**DEPARTMENT:** Community Services

**MEETING DATE:** December 8, 2020

**PREPARED BY:** Eugene Suk,  
Hillside Wilderness Preserve Supervisor

**AGENDA LOCATION:** CC-2

---

**TITLE:** Canyon Park and Hillside Wilderness Preserve Patrol Update for November 2020

**OBJECTIVE:** To provide an update on incidents, maintenance, and public comments related to Canyon Park and the Hillside Wilderness Preserve (HWP) recorded for the month of November 2020.

**BACKGROUND:** For over a century, Canyon Park has been used as a recreational park by visitors and Monrovia residents. Services in Canyon Park include special events; Naturalist led night hikes, interpretive tours, a Nature Center, trails, a waterfall, and views of the San Gabriel Valley. In addition, Naturalists and volunteers maintain the trail systems and facilities.

In 2016, the City opened over 4.5 miles of HWP trails providing passive recreational opportunities for the community. Park Naturalists patrol the HWP and urban parks two times a day by vehicle, utility terrain vehicle and foot. Park Naturalists also respond to calls related to Monrovia's Smoking Ban Ordinance.

On September 12, the Bobcat Fire entered Monrovia Canyon Park, firefighters used a defensive approach to protect buildings and structures, including the Nature Center, Ranger Station, Cabin, and restrooms. The fire suppression tactics, which included controlled burns, burned a significant amount of brush in the park but all buildings remain intact with only smoke damage. Popular hiking trails are no longer accessible and debris from high above is already rolling down the hills and landing on park trails. In total, about 278 acres of Monrovia owned open space (including 80 acres of Monrovia Canyon Park) is damaged. With the need for ongoing damage assessments and emergency preventative measures needed, we anticipate the park will be closed for some time. During this time, to secure Monrovia Canyon Park, a secondary fence has been installed at the gate to further secure the park after hours. Additionally, signs are posted as the area remains very dangerous.

Due to minimal damage in the Hillside Wilderness Preserve, the trail system was reopened on November 16, 2020.

**ANALYSIS:** During the month of November 2020, Canyon Park Volunteers completed 123 hours of maintenance in the Hillside Wilderness Preserve performing brush clearance and erosion control measures to stabilize the trail for the coming winter season.

**RECOMMENDATION:** Staff recommends the Community Services Commission move to receive and file CC-2, Canyon Park and Hillside Wilderness Preserve Patrol Update for November 2020.

**CC-2**

**COMMISSION ACTION REQUIRED:** If the Community Services Commission concurs, the appropriate action would be a motion to: Receive and file CC-2 Canyon Park and Hillside Wilderness Preserve Patrol Update for November 2020.
