

San Gabriel Valley Energy Champion Awards

City of Monrovia Recognition Presentation

Tuesday, February 15, 2022

San Gabriel Valley Energy Wise Partnership

- Partnership between the SGVCOG and SoCalGas that provided financial incentives for cities' direct energy savings through the installation of energy efficiency measures
- Provided education and outreach efforts related to energy-efficiency and conservation
- Funded by the California Public Utilities Commission (CPUC)

San Gabriel Valley Energy Champion Awards

- In partnership with SoCalGas, the SGVCOG recognizes San Gabriel Valley agencies' efforts for increasing energy efficiency in municipal facilities and communities through the **San Gabriel Valley Energy Champion Awards**
- Agencies must implement specific energy efficiency actions in order to receive recognition in the **Silver, Gold, and Platinum Tiers**

City of Monrovia

Back in December 2021, the City of Monrovia reached the Silver Tier by completing the following actions:

- Attended 4 San Gabriel Valley Energy Work Group Meetings
- Participated in two Energy Efficiency Twitter chats
- Hosted an Energy Efficiency marketing campaign, and invited Monrovia USD to join our Partnership
- Attended an Energy Efficiency workshop
- Participated in our Joint Partnership LGP Webinar in 2021

Congratulations City of Monrovia on your wonderful accomplishments and we look forward to continuing working with you to build an extraordinary, exciting, and promising future for the San Gabriel Valley!
