

Summary of public comments for Historic Preservation Commission meeting on March 23, 2022

Name	Subject	Comment Summary or Full Comment if brief
Brian Yamaguchi, Resident	Public Comment in Support of (and with a minor concern regarding) Agenda Item AR-1 (CofA2022-0002)	Residents state that the two types of siding and the addition of a pergola is a significant improvement over the original proposal. He also has a minor concern that the landing for the entry of the ADU appears to be partially blocking the garage door entrance.

Dear Commissioners,

I think that the use of two types of siding and the addition of a pergola is a significant improvement over the original proposal.

I have a tiny concern that the landing for the entry appears to partially block the garage entrance. It is hard to see as the image embedded in the PDF becomes fuzzy when enlarged.
