- » Cheese, dairy, eggshells
- » Meat, bones, poultry and seafood
- » Bread, rice, beans, and pasta
- » Cut flowers and herbs
- » Coffee grounds and filters

## Yard Trimmings

- » Grass clippings
- » Weeds
- » Leaves and branches
- » Flower and hedge trimmings
- » Lumber, scrap wood, and plywood (not painted or treated)

## 100% Fiber-Based, Food-Soiled Paper

- » Food-stained paper
- » Napkins and paper kitchen towels
- » Paper egg cartons and pizza boxes
- » Paper packaging
- » Paper plates and cups (no plastic lining)

# SB 1383 ENFORCEMENT & COMPLIANCE

## Enforcement

City is required to adopt an ordinance mandating organics service for all, including inspection and enforcement mechanisms to ensure all trash generators recycle organic waste.

## Compliance

- Collection Program
- Route Audits
- Waste Characterizations
- Outreach & Education
- Data & Reporting
- Procurement
- Food Recovery Support

# SB 1383 COMPLIANCE: COLLECTION PROGRAM

## Single Family Service

3-barrel automated collection program: (1) 96-gallon trash, (1) 96-gallon recycle, and (1) 96-gallon organics barrel.

## Multi Family & Commercial Service

Bin service for mixed waste collection and barrel service for organics.

# Next Steps

---

Staff has successfully applied for and been awarded \$55,258 through CalRecycle's SB 1383 Local Assistance Grant Program

Continue to work with the SGVCOG on the next phase of the Regional Food Recovery Effort

City Council adopted Resolution 2022-013 which authorized staff to submit the Notification of Intent to Comply via SB 619. In April, staff received approval from CalRecycle and staff will begin working with CalRecycle on a modified Compliance Plan.

# Recommendation

---

Staff is recommending Option 1, direct staff to proceed to negotiate a Phased Approach to Rate Adjustment. Staff will present the proposed amendment to the exclusive franchise agreement with Athens Services at the June 21, 2022 City Council meeting for formal consideration.
