**DEPARTMENT:** Community Services

**MEETING DATE:** September 13, 2022

**PREPARED BY:** Eugene Suk,

**AGENDA LOCATION:** CC-2

**TITLE:** Canyon Park and Hillside Wilderness Preserve Patrol Update for August 2022.

**OBJECTIVE:** To provide an update on incidents, maintenance, and public comments related to Canyon Park and the Hillside Wilderness Preserve (HWP) recorded for the month of August 2022.

**BACKGROUND:** For over a century, Canyon Park has been used as a recreational park by visitors and Monrovia residents. Services in Canyon Park include special events; Naturalist led night hikes, interpretive tours, a Nature Center, trails, a waterfall, and views of the San Gabriel Valley. In addition, Naturalists and volunteers maintain the trail systems and facilities.

In 2016, the City opened over 4.5 miles of HWP trails providing passive recreational opportunities for the community. Park Naturalists patrol the HWP and urban parks two times a day by vehicle, utility terrain vehicle and foot. Park Naturalists also respond to calls related to Monrovia's Smoking Ban Ordinance.

In September 2020, the Bobcat Fire forced the closure of Canyon Park and HWP for an extended period of time, as the areas were unsafe and significant repairs were needed.

Due to minimal damage in HWP following the Bobcat Fire, the trail systems reopened on November 16, 2020. Limited hiking opportunities in San Gabriel Valley such as Canyon Park, Sturdevant Falls, Hwy 39, and Eaton Canyon has increased amount of daily visitors to HWP, primarily in Ridgeside and Cloverleaf access points.

Staff worked diligently to repair trails and remove hazards in an effort to open Canyon Park as soon as possible. On August 30, 2021 Canyon Park was reopened to the public through a reservation system to ease visitors back into the Park. Staff continue to work on remediating potential hazards and improve trail conditions for Park users. Future wind and rain events may temporarily close the Park as needed to improve safety conditions for Park users.

The first significant rain event following the Bobcat Fire occurred on December 13, 2021. The National Weather Service reported that the event accumulated over 5 inches of rain which caused significant damage to Canyon Park. Monrovia Canyon Park will remain closed indefinitely for a period of time. During the duration of the closure, photos, aerial footage, and much more information will be shared with the community.

Staff has been intimately involved with cleanup and rehabilitation towards Canyon Park roads, trails and infrastructure. Over the next several months Staff will continue to assess and identify damages from the

December 2021 rainstorm clean up, identify infrastructure repairs, and oversee the possibilities of upgrades to Canyon Park.

**ANALYSIS:** During the month of August 2022, Canyon Park Volunteers and Park Naturalists completed 135 hours of maintenance in Canyon Park, Maintenance performance that included brush clearance, establishing trails, and making improvements on the trails that had significant trail erosion.

During the month of August, Management Career Solutions (MCS) assisted with post fire recovery in Canyon Park and Hillside Wilderness Preserve (HWP). Recovery efforts include ash and debris removal that fell on the trail, cutting up trees that fell on the trail, and erosion mitigations. Staff is continuing to monitor the progress of their work as they assist in Canyon Park and HWP's post fire rehabilitation.

On, August 24 Staff hosted an annual Canyon Park Volunteer picnic/potluck at the Monrovia Historical Museum. Participants enjoyed a fun night filled with a pot luck picnic, music, and an opportunity to update the Volunteers of the status and work progress in Canyon Park.

**RECOMMENDATION:** Staff recommends the Community Services Commission move to receive and file CC-2, Canyon Park and Hillside Wilderness Preserve Patrol Update for August 2022.

**COMMISSION ACTION REQUIRED:** If the Community Services Commission concurs, the appropriate action would be a motion to: Receive and file CC-2 Canyon Park and Hillside Wilderness Preserve Patrol Update for August 2022.
