Re: City of Monrovia Annual Rate Adjustment for July 1, 2023

Dear Mr. Feik:

In accordance with the Residential and Commercial Solid Waste Franchise Agreement between the City of Monrovia and Athens Services, and pursuant to Section 7 of Exhibit A of this Agreement, please accept this letter as Athens Services' official request and notification to adjust the maximum rates effective July 1, 2023. Per the Agreement, the adjusted maximum rates are based on the Consumer Price Index (CPI) Change, which is calculated as the percentage change from April 2022 to April 2023 of 3.82% plus 1.00%, for a total adjustment of 4.82%. In addition, per Amendment #2 Section 10, an additional 3.00% for Residential services and 7.00% for Commercial services has been added to the annual adjustment formula.

Please feel free to call me at (626) 934-4619 with any questions regarding this matter. We look forward to discussing the administrative procedures of this adjustment and we thank you for your time and attention to this matter.

Sincerely,

Christian Warner
