Hi Krystina,

I am not a automotive repair business owner. I believe I was the only non-business resident at the Town Hall. My concern is that it appears that all the above and beyond efforts to garner feedback has solely been directed at the shop owners. I would like to suggest that an effort be made to reach out to the residents within 500 ft of the 5 problem shops so that they have an opportunity to have their voices heard directly.

Blessings,
Brian Yamaguchi
