Art in Public Places Ornament 2023

Kick off the holiday season by supporting public art with Monrovia's second tree ornament in a series! This years design features "A Merry Monrovia" as Santa and Monrovia Fire & Rescue spread the holiday cheer. The beautifully crafted ornament is made of high quality ceramic, brilliantly designed by Monrovia artist, Joy Bushmeyer. All proceeds go to support the Art in Public Places program. The ornament is doubled with the Art in Public Places logo and name of the location. The ornament measures 2.75 inches in diameter. A collectible gift for Monrovia residents. Purchase includes a gift tag.
