Art in Public Places Ornament 2024

Kick off the holiday season by supporting public art with Monrovia's third tree ornament in a series! This year's design features Samson the Bear a proud Monrovia "All-America City" citizen. The beautifully crafted ornament is made of high quality ceramic, brilliantly designed by Monrovia artist, Sarah Godinez. All proceeds go to support the Art in Public Places

It features the Art in Public Places on the back side. It is available in limited quantities.
