TITLE: Hillside Wilderness Preserve Patrol Update for August 2016

OBJECTIVE: The purpose of this report is to provide the Community Services Commission with a monthly update on the Hillside Wilderness Preserve Patrols.

BACKGROUND: The following information is an overview of the daily patrols of the Hillside Wilderness Preserve for August 2016. Rangers patrol four access points which include Sleepy Hollow, Ridgeside, Cloverleaf and Highland. A minimum of one patrol per day is conducted at each access point. There was one service call to the Monrovia Police Department this month.

Sleepy Hollow – The Sleepy Hollow access point is located off of Norumbega Drive and the paper street Traci Lane. The access point leads to an out-and-back trail primarily used by the adjacent neighborhoods for its vista point views looking to the south. For the month of August there were no Police, Animal Control, or Fire calls for service.

Ridgeside – The Ridgeside access point is located off of Ridgeside Drive, a quarter mile north of Briarcliff Drive. The trail is approximately one mile in length and has three vista points. This access point is the entrance leading to the Lower Clamshell Motorway, and the loop where the Braunton's Milk Vetch is present. One August 9, at approximately 1:17p.m., Monrovia Police were called for a bear that successfully gained entry into a home on Ridgeside.

Cloverleaf – The Cloverleaf access point is located at the end Cloverleaf Drive. This access point follows the Clamshell Motorway to Ridgeside. This access point is where Station 103 is located, and the entry road to the private in holders. For the month of August there were no Police, Animal Control, or Fire calls for service.

Highland – The Highland access point is located at the end of Highland Place. The trail is a half mile in length and out-and-back to the water tower. For the month of August there were no Police, Animal Control, or Fire calls for service.

Monthly Patrol Log – The following information is an overview of data from the daily patrol logs for August 2016.
