ANALYSIS: Past practice has led Commissioners to serve as a liaison to a group where they were currently active. This has allowed for efficiency and continuity. However, if a Commissioner has an

interest in exploring a new assignment, Staff would like to support that endeavor. In addition, with a new member on the Commission, there may be a desire to open an assignment for their benefit. Commissioners are asked to review the Liaison Assignments and be prepared to discuss during the Commission meeting.

RECOMMENDATION: Staff recommends the Community Services Commission review, provide feedback, and assign liaison assignments for Fiscal Year 2016-2017.

COMMISSION ACTION REQUIRED: If the Community Services Commission concurs, the appropriate action would be a motion to: **Review, provide feedback, and assign liaison assignments for Fiscal Year 2016-2017.**
