AGENDA LOCATION: CC-2

TITLE: Hillside Wilderness Preserve Patrol Update for May 2016

OBJECTIVE: The purpose of this report is to provide the Community Services Commission with a monthly update on Hillside Wilderness Preserve Patrols.

BACKGROUND: The following information is an overview of the daily patrols of the Hillside Wilderness Preserve for May 2016. Rangers patrol four access points which include: Sleepy Hollow, Ridgeside, Cloverleaf and Highland. A minimum of one patrol per day is conducted at each access point. For the month of May, there was one service call to Monrovia Police.

Sleepy Hollow – The Sleepy Hollow access point is located off of Norumbega Drive and the paper street Traci Lane. The access point leads to an out-and-back trail primarily used by the adjacent neighborhoods for its vista point views looking to the south. For the month of May, there were no service calls for Police, Animal Control or Fire.

Ridgeside – The Ridgeside access point is located off of Ridgeside Drive, a quarter mile north of Briarcliff Drive. The trail is approximately one mile in length and has three vista points. This access point is the entrance leading to the Lower Clamshell Motorway, and on the loop the Braunton's Milk Vetch is present. For the month of May, there were no service calls for Police, Animal Control or fire.

Cloverleaf – The Cloverleaf access point is located at the end of Cloverleaf Drive. This access point follows the Clamshell Motorway to Ridgeside. This access point is where Station 103 is located, and the access point is also the entry road to private in holders. On May 16, 2016 at approximately 2:00 p.m. at 610 Cloverleaf, Ranger Marlene Jimenez reported a vehicle parked on private property. Monrovia Police responded, and located the vehicle, but were unable to enforce a parking violation, due to the vehicle being parked on private property.

Highland – The Highland access point is located at the end of Highland Place. The trail is a half mile in length, out-and-back to the water tower. For the month of May, there were no service calls for Police, Animal Control or Fire.

Monthly Patrol Log – The following information is a weekly overview of data extrapolated from the daily patrol logs for May 2016.
