

**CITY OF MONROVIA  
COMMUNITY SERVICES COMMISSION  
DIVISION MANAGERS REPORT**

**DEPARTMENT:** Public Works

**MEETING DATE:** January 13, 2015

**PREPARED BY:** Mark Carney,  
Infrastructure Manager/  
Deputy Director of Public Works

**AGENDA LOCATION:** CC-2

---

**TITLE:** Infrastructure Manager/Deputy Director of Public Works Report

**OBJECTIVE:** The purpose of this report is to provide the Community Services Commission with a brief update on projects, and maintenance programs currently being worked on by the Public Works Department.

No Smoking Signs - were installed at the exterior doors and opening windows at City facilities.

**Canyon Park**

- Work continues on the sewer/septic tank system.
- Several repairs made at the restrooms.

**Community Center**

- Repaired lighting in several rooms.
- The kitchen Fire system was tested and passed.

**Grand Avenue Park**

- The Redwood trees at the Grand Avenue entrance to the Park have been removed, and will be replaced with an Oak tree.

**Julian Fisher Park**

- Public works staff has applied for a Los Angeles County grant for replacement of the basketball courts and other improvements at the park.
- Remove dead Oak tree after approval (on removal schedule).

**Library and Park**

- The fountain on the Northwest corner of Myrtle and Lime Avenues was damaged by a vehicle. The Monrovia Historical Preservation Group completed the reconstruction of the roof structure, and is scheduling the installation of the replacement tiles.
- Repairs were made to the park irrigation system.
- Repairs were made on the Play Equipment.
- Repaired lighting in the Library.

**CC-2**

Lucinda Garcia Park (previously known as Olive Avenue Park)

- Public Works staff applied for a Los Angeles County Grant to replace the playground equipment and make several other improvements.
- Graffiti was removed.
- Repairs made to the play equipment.

Recreation Park

- Graffiti at the Skate Park, restrooms, museum and Boys and Girls Club.
- Repairs were done in the KGEM restrooms.
- Repairs were made to the irrigation systems.
- The exterior building lights were repaired at the Mary Wilcox Youth Center.

Rotary Park

- The existing park sign was pressure washed.
