On February 28, 2014 Hillside Wilderness Preserve Park Rangers, and Canyon Park Staff assisted the Fire Department and Police Department in the EOC (Emergency Operation Center) with various tasks as directed.

The access point leads to an out-and-back trail primarily used by the adjacent neighborhoods for its vista point views looking to the south. There were no Police, Animal Control, or Fire calls for service this month.

Ridgeside – The Ridgeside access point is located off of Ridgeside Drive, ¼ mile north of Briarcliff Drive. The trail is approximately 1 mile in length and has three vista points. There were no Police, Animal Control, or Fire calls for service this month.

Cloverleaf – The Cloverleaf access point is located at the end Cloverleaf Drive. This access point follows the Clamshell Motorway to Ridgeside and is also the location of Station 103 and the entry road to the private in holders. There were no Police, Animal Control, or Fire calls for service this month.
