Before the meeting, please consider the following questions to help foster discussion:

- Why is preserving Monrovia's history something that you value?
- What time periods in Monrovia's history are the most important to you?
- What events in Monrovia's history shaped how Monrovia looks today?
- Who are the people in Monrovia's past that you consider to be historically significant?
- What areas of Monrovia that still exist are connected to those events, time periods, and people?
